Del Norte
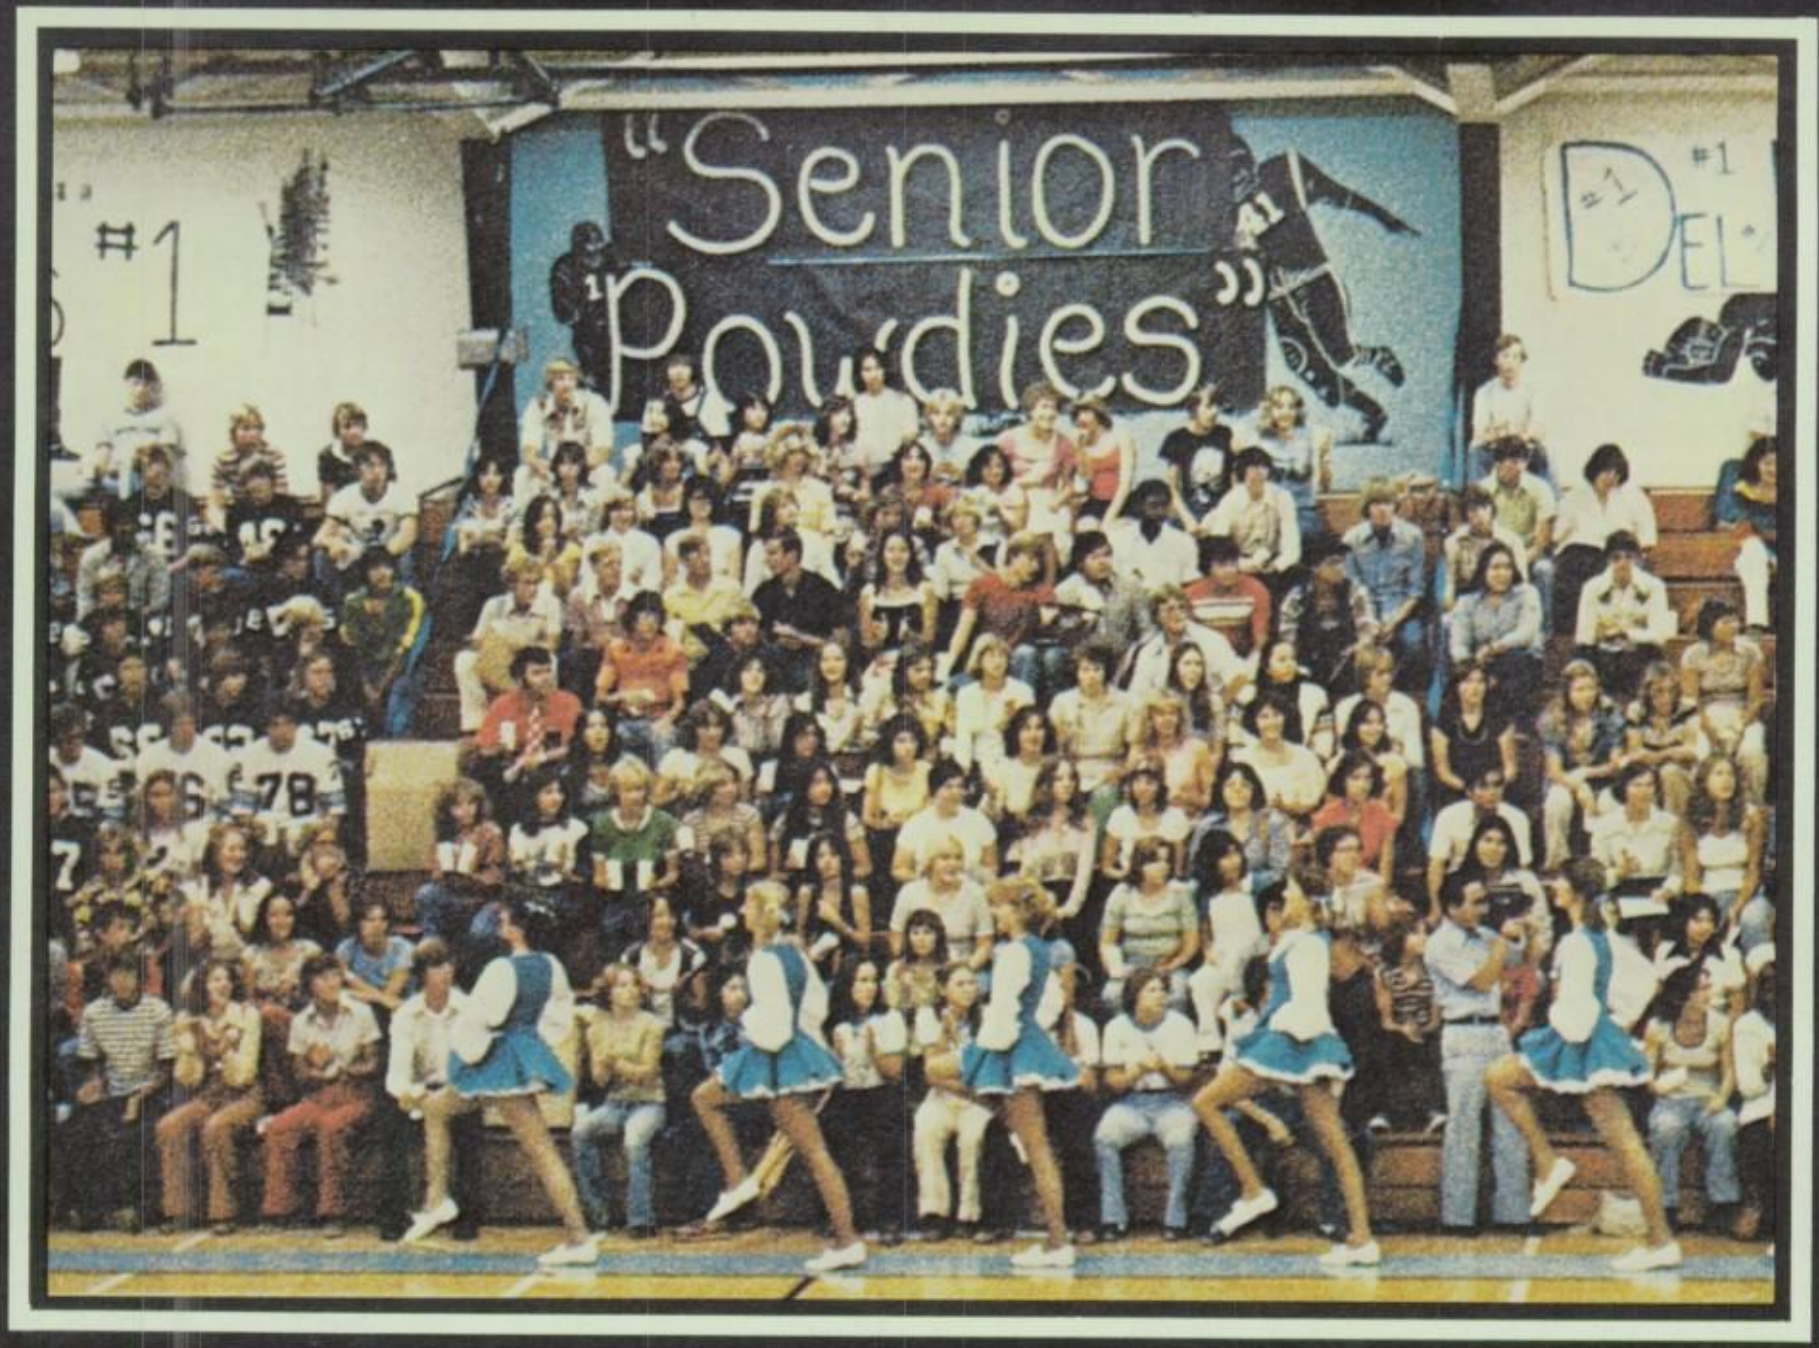
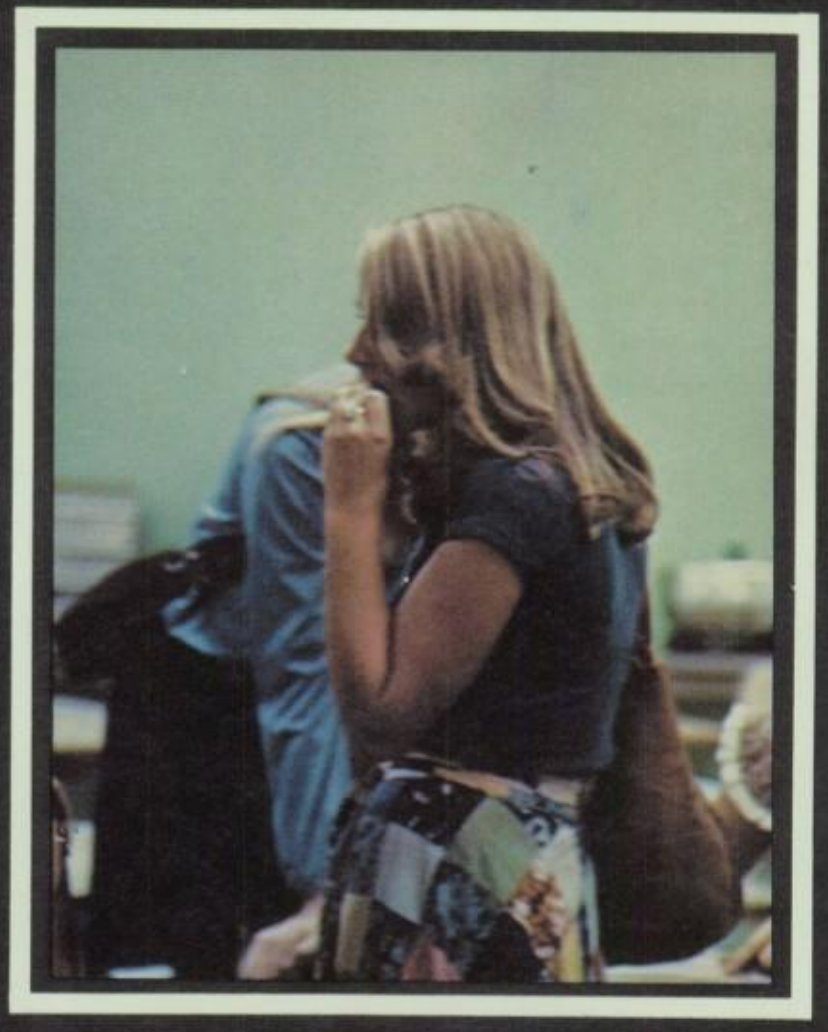
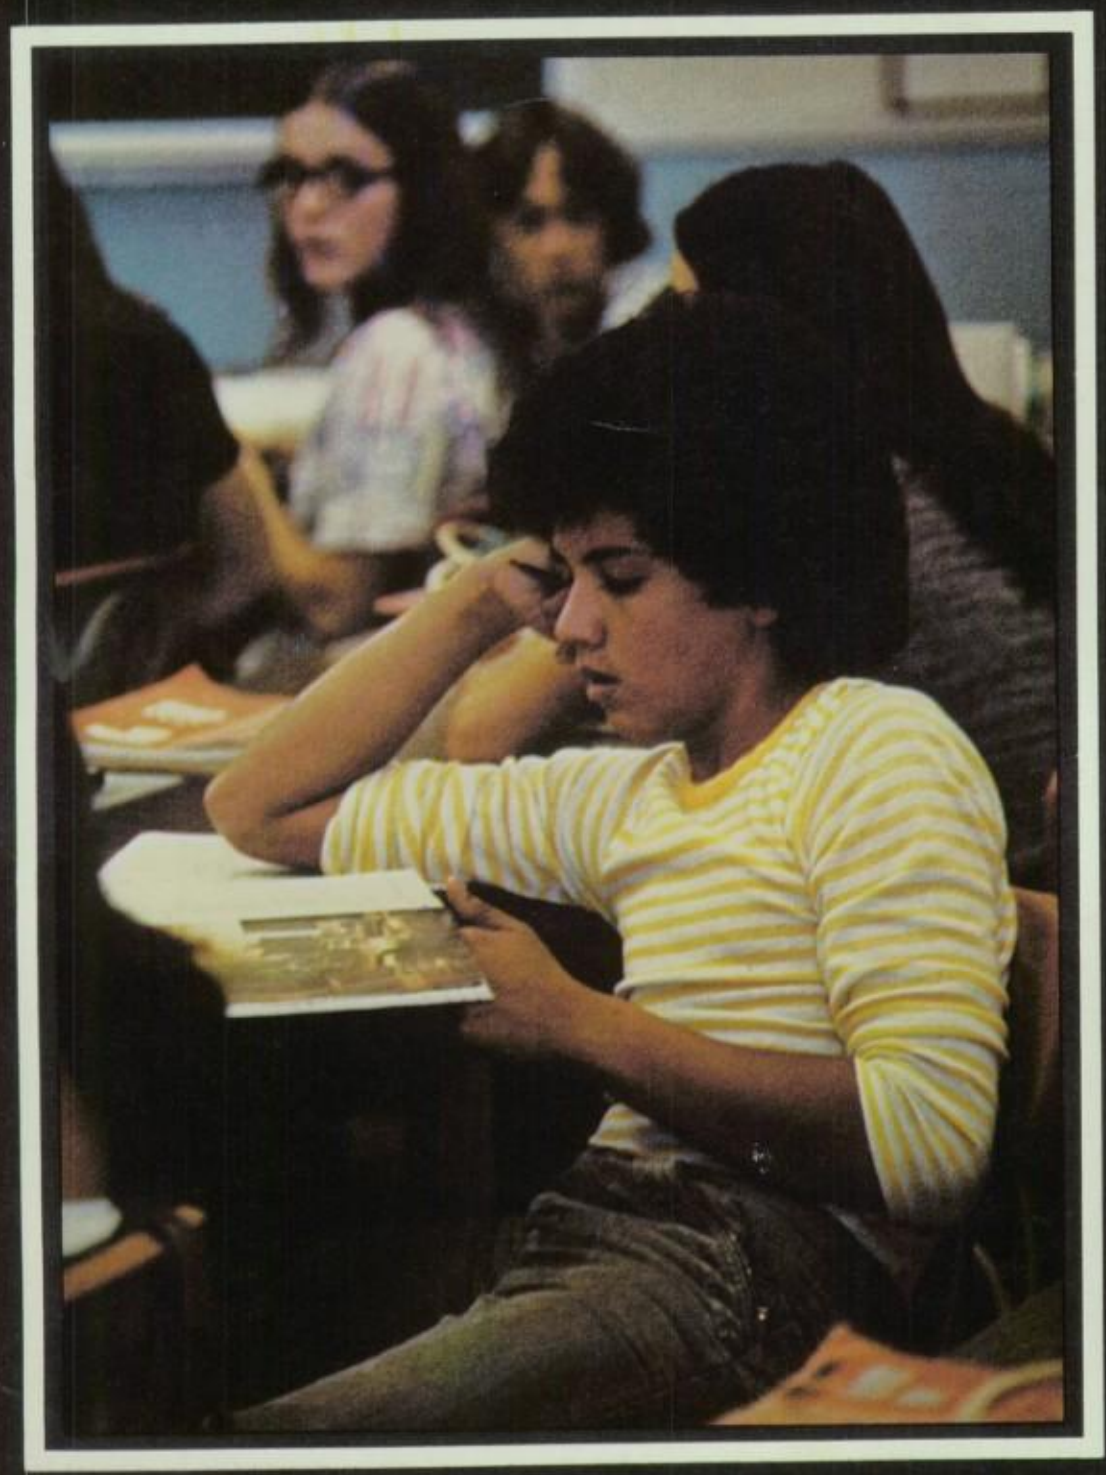
is a name that
will always hold a special
meaning in our hearts



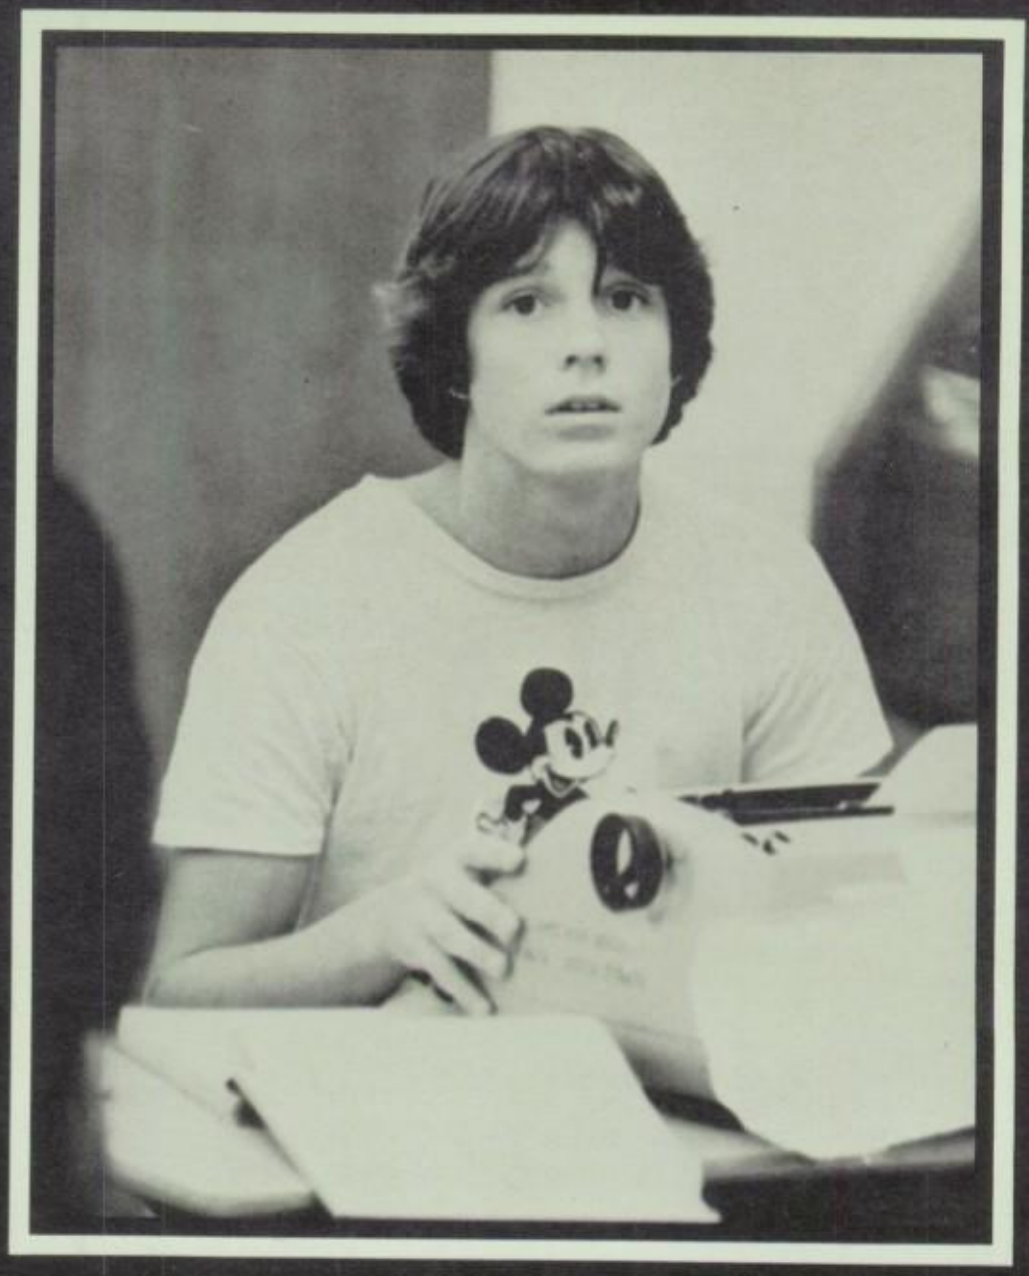


Not for the many hours of listening to lectures and doing those tedious

assignments - they were just one aspect of our

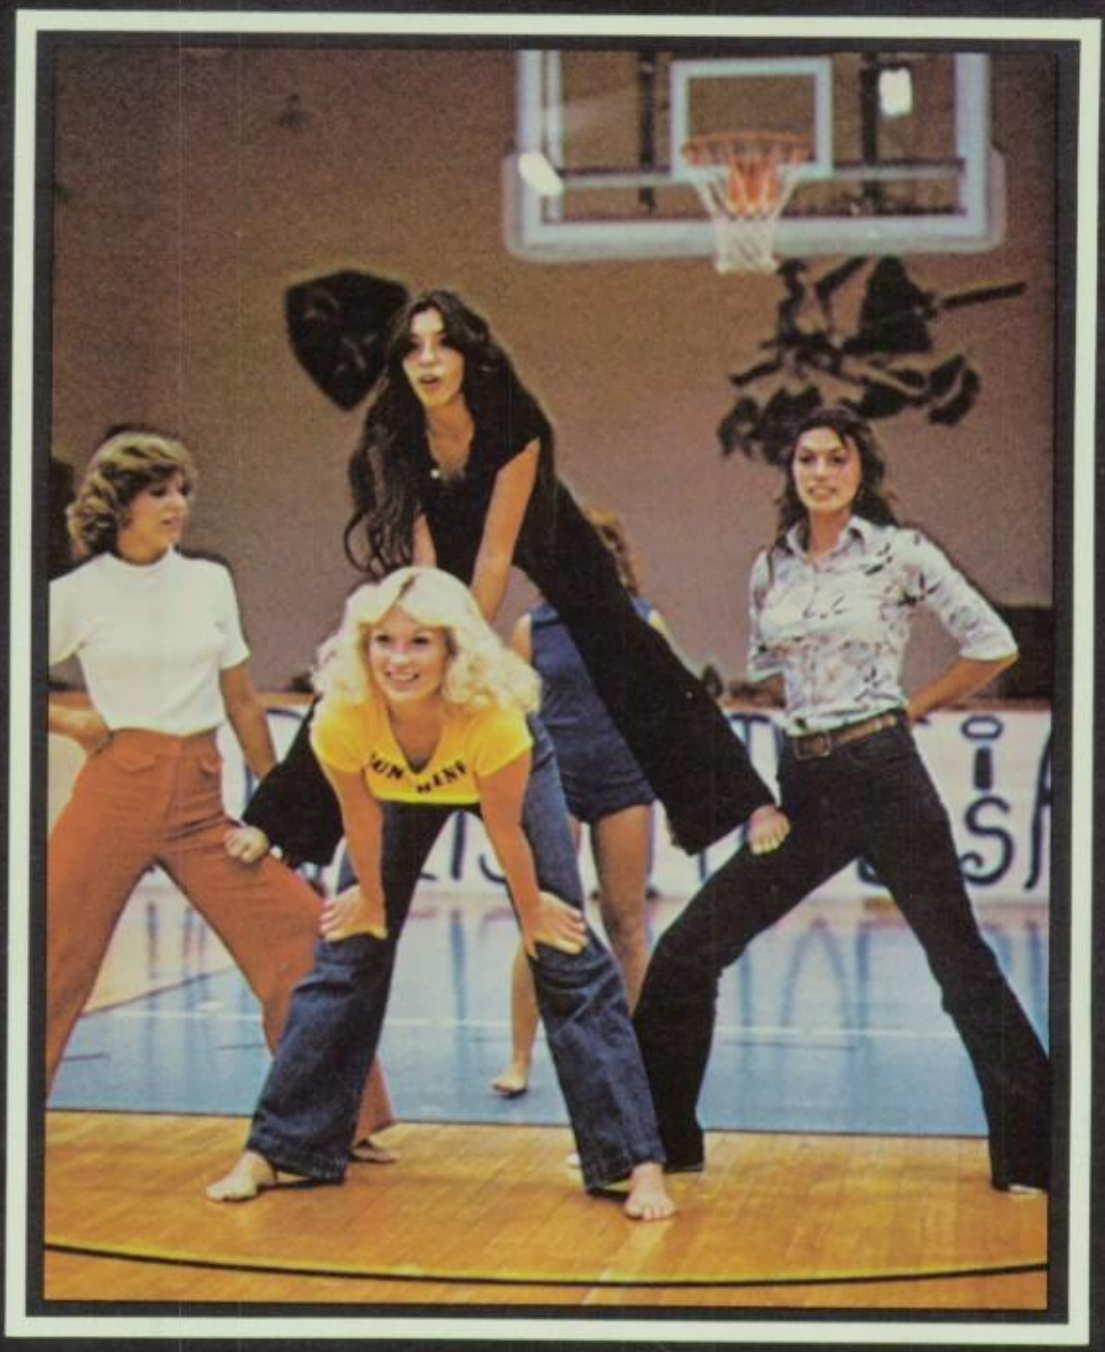


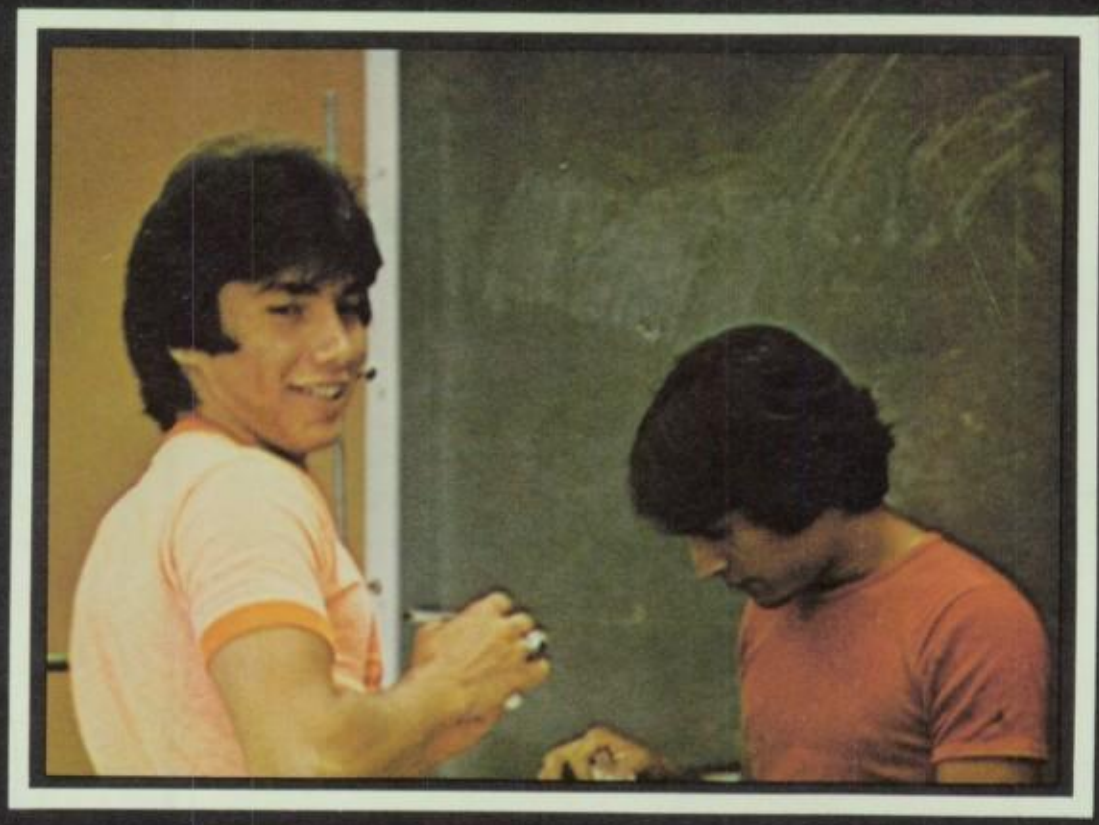
high school life - but for the shining memories of that special time.

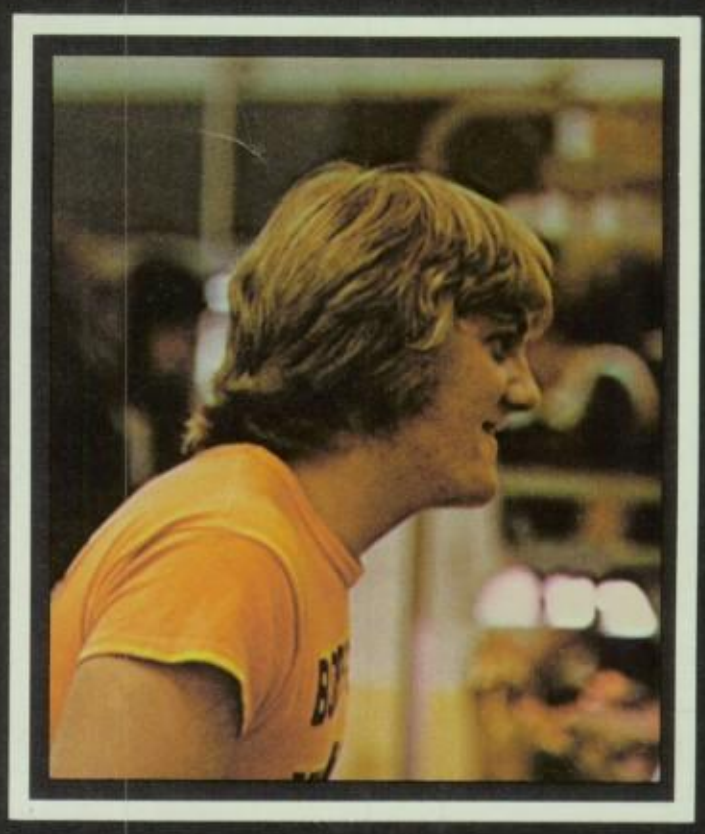


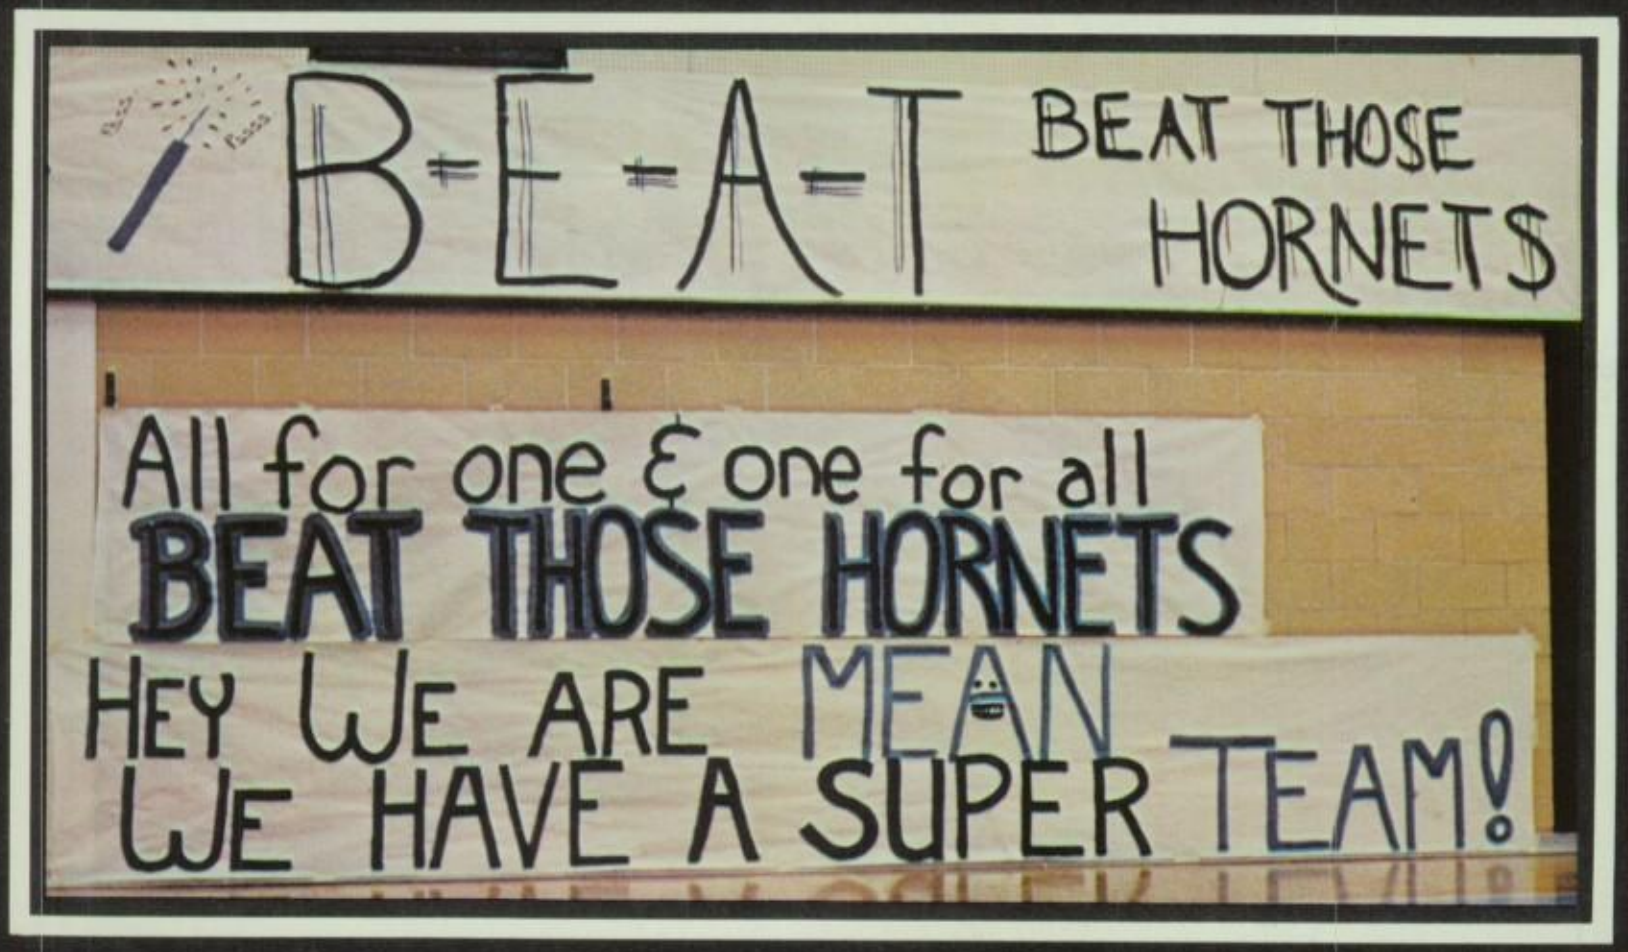
Those three years when we slowly stepped from childhood to adulthood.

Constantly growing and changing - and changing Del Norte with us.







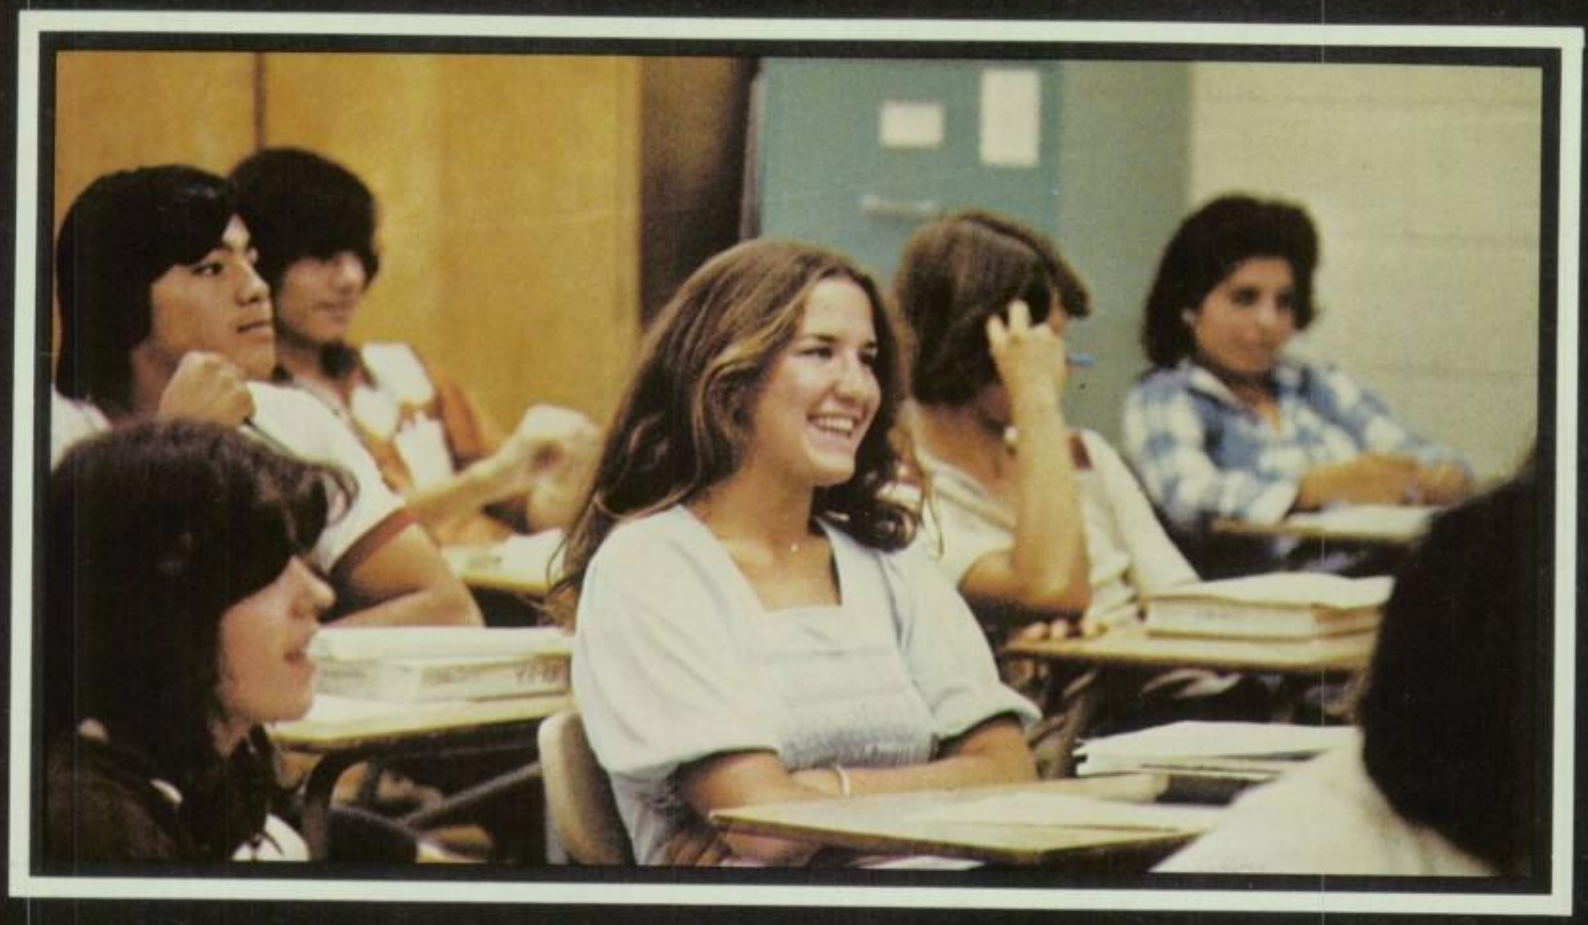


B-E-A-T
BEAT THOSE HORNETS$
All for one & one for all
BEAT THOSE HORNETS
HEY WE ARE MEAN
WE HAVE A SUPER TEAM!

All of us have those special memories that will always be the focal point of high school years.

No two people will have the same memories.

That's why Del Norte means something different to each one of us



Different
as it may be,
it will forever
remain cherished.

Homecoming 1977

Del Norte, meaning "of the North", is like the strong north wind blowing free. It rustles through the trees and takes with it the multicolor autumn leaves setting each one on its way. The wind continues over the wavering fields of grass and down the hillside where it encounters a lone, lofty windmill. It catches the vanes and effortlessly turns the towering wheel and then seeks new heights.

Del Norte, like the north wind, affected all of us in our own way. It gently guided the patterns of our thoughts, whirling the windmills of our mind with the excitement of new dreams and challenges us to attain greater heights.

Tonight each one of these girls reached that greater height. That long awaited dream of being a part of majesty. The windmills of their minds were spinning with the happiness of being members of the royal court of the Knights. To grace the high court two lovely princesses were chosen, Laura Saye and Val Stevenson. And the excitement reached its crescendo when the Master and Mistress of Ceremonies, Mike Sherwood and Julie Griffis, announced her majesty Del Norte's 1977 Homecoming Queen Lisa Andrews. Little was said and even less was known of the many hours of arduous work put in by a host of students. Without them and Miss Miller this homecoming would not have been possible. What happened here tonight will be a memory; a memory we will all treasure and store in our hearts—a memory which will be captured forever in the windmills of our minds.

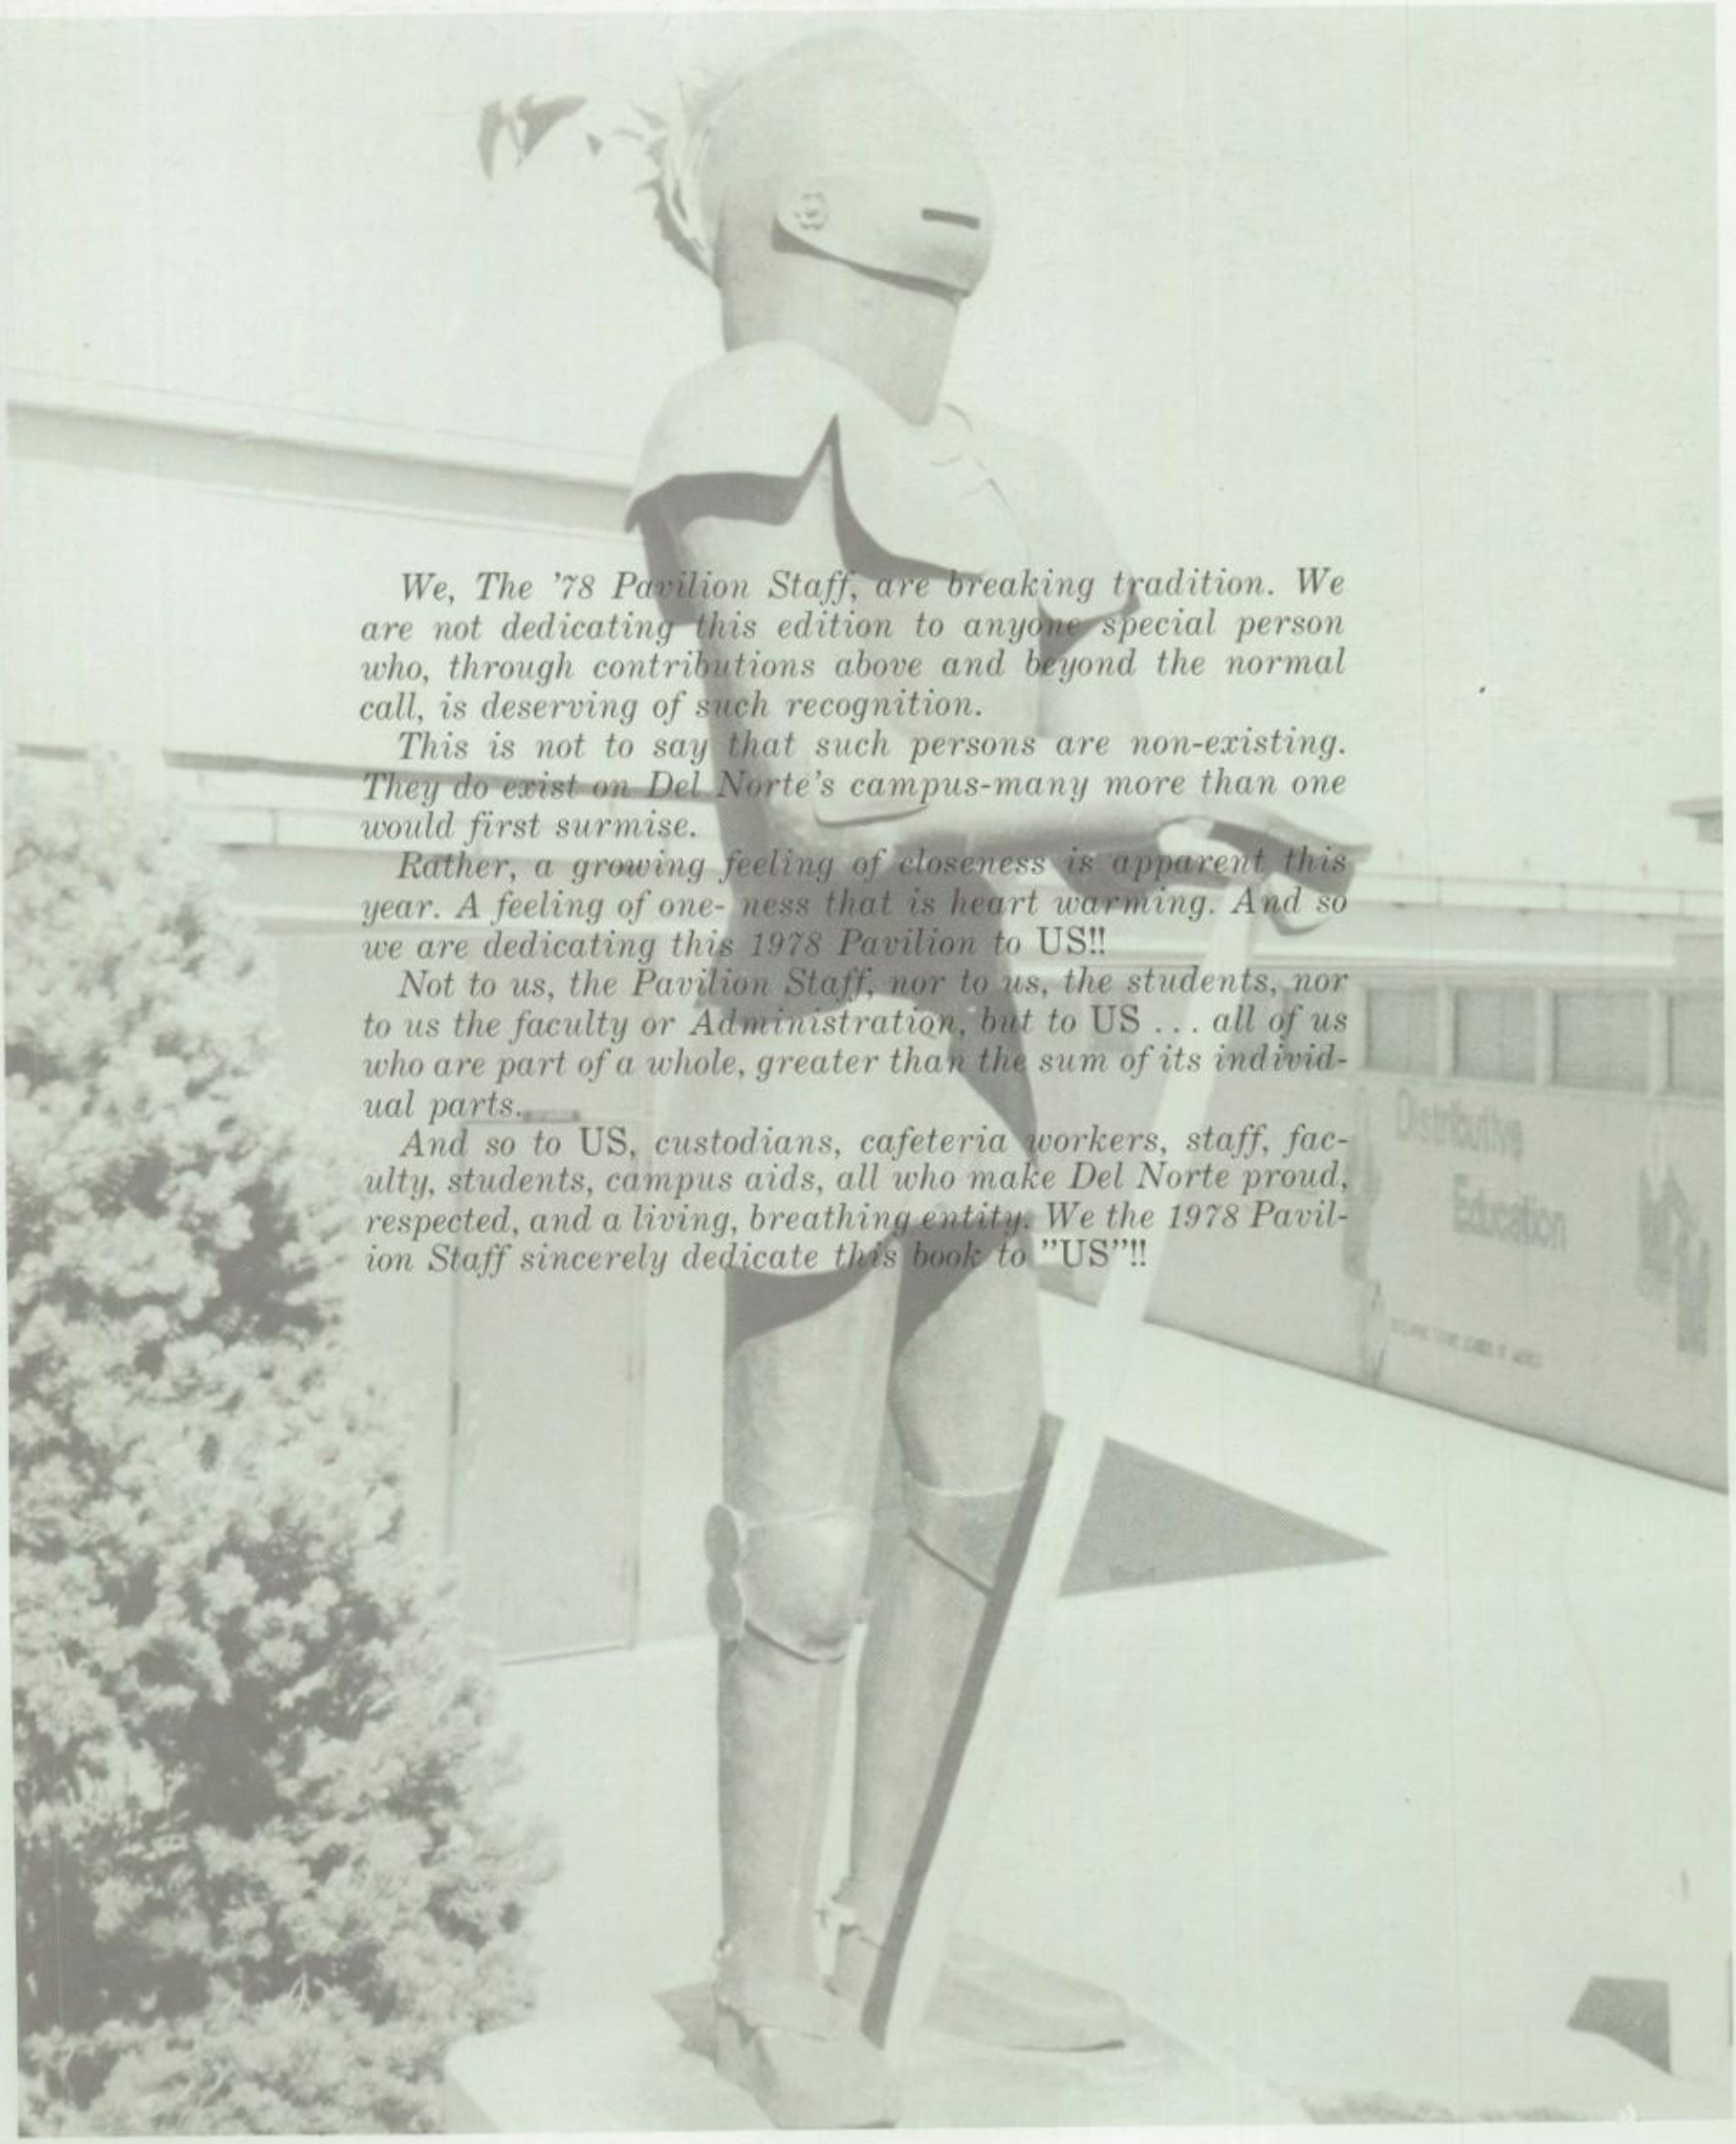
A Dedication to Us!!



We, The '78 Pavilion Staff, are breaking tradition. We are not dedicating this edition to anyone special person who, through contributions above and beyond the normal call, is deserving of such recognition.

This is not to say that such persons are non-existing. They do exist on Del Norte's campus-many more than one would first surmise.

Rather, a growing feeling of closeness is apparent this year. A feeling of one- ness that is heart warming. And so we are dedicating this 1978 Pavilion to US!!

Not to us, the Pavilion Staff, nor to us, the students, nor to us the faculty or Administration, but to US *. . . all of us who are part of a whole, greater than the sum of its individual parts.*

And so to US, *custodians, cafeteria workers, staff, faculty, students, campus aids, all who make Del Norte proud, respected, and a living, breathing entity. We the 1978 Pavilion Staff sincerely dedicate this book to* "US"!!

Education, taxes, debates, politics, revolution, citizens rights-These are the concerns of the Staters Club. Many may ask, what are Staters? Our answer is that we are 30 dedicated people who enjoy helping others to learn, discovering the beliefs of our peers, and . . . goofing off.

Six of us were sent to Girl's State and Eight of us were sent to Boy's State. For one week, we learned the fundamentals of government and politics, which are, unfortunately, one and the same. We had fun though, too. Friends were made and officials were elected. We had a real good time.

Youth Gov't

Among the students walking around Del Norte, there is a special group of kids involved in an organization, known as Youth and Government. This club is city-wide and sponsored by YMCA.

They are having candy sells and bake sells. They are pushing to earn enough money for the whole club to go to the Model Legislature in Santa Fe. They also participated in the Model City day down at City Hall. The ordinance that they took down there was to "Legalize Prostitution" and it passed.

Mrs. Roberts was the sponsor here at Del Norte and she did a great job. The kids in the club appreciate all her time and effort.

ASA

Del Norte student council is called ASA, which stands for Associated Student Assembly. Its purpose is to serve as the governing body and voice of the students. Throughout the school year, ASA works hard at coordinating student activities, clubs, and money-raising projects. This year some of ASA's biggest projects included homecoming, a dance for Diabetes, and various activities with the senior citizens. Members of ASA have also been active in district and state student council affairs, as well as participating in the United City Council "buddy school" projects and student exchanges. This year's ASA has proven that student councils can be an effective voice of the students.

The Senior Senate–the ruling body of our graduating class–like the Congress of the United States has done a great job this year. Ranging from community services to purely recreational activities, the senior class, led by the Senate conducted a blood drive for Albuquerque and the local hospitals, redesigned and rebuilt the school's inner patio, held a sophomore welcome week, and provided the largest victory bonfire in Del Norte history, to name only a few of their constant functions. The year culminated in a final giant class assembly, including a class history slide show, the presentation of scholarships, and a fond farewell to Del Norte.

Junior Jury

Junior Jury started off this year with many enthusiastic members. This enthusiasm supported many programs and activities.

To begin a great year, Junior Jury sponsored the successful Homecoming Dance. Through the year they've accomplished several bake sales, public car washes, and many fund-raising functions. They ended this 77-78 year at Del Norte with the exciting and memorable Junior-Senior Prom.

Spanish Club

Spanish Club was established mainly as a source of providing college scholarships to qualified members. Club members worked very hard on many money making activities. The Spanish Club also had a fun filled year which included: The annual picnic, the tram ride and hike, and several potluck dinners featuring Spanish/ Mexican dishes.

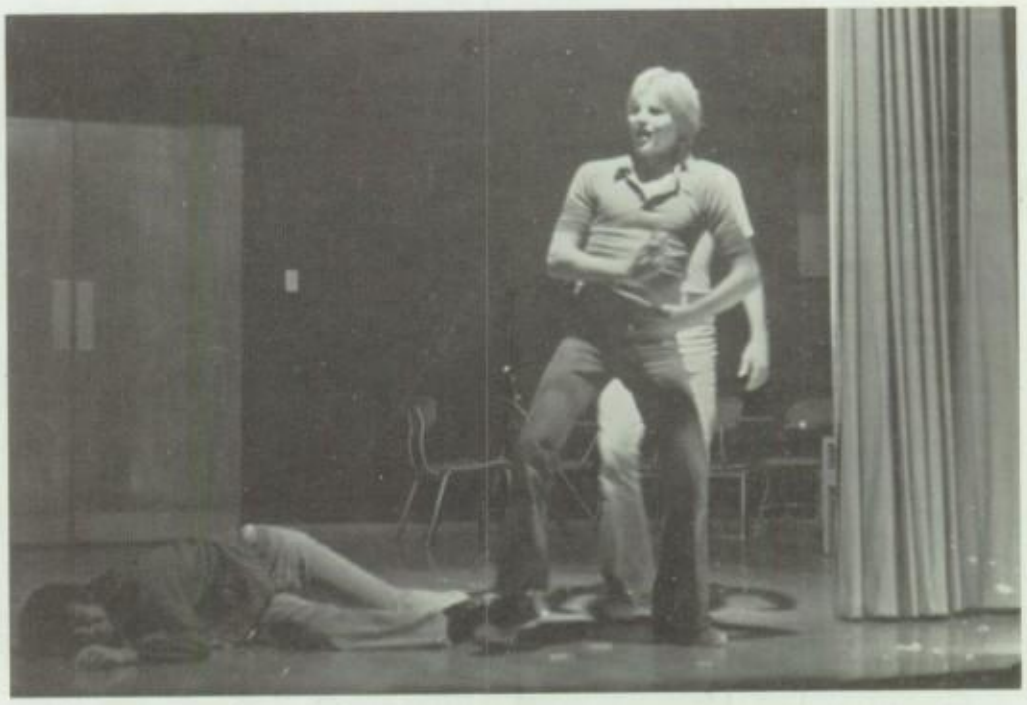
Drama Club



This year's Del Norte High School Drama Club, hopes to bring the spirit of theater to Del Norte. We, the Drama Club, are very honored this year to welcome back our sponsor and a very good actress, Mrs. Louise Laval. We started out the year by having the election of officers. Officers are: Mike Ramsey- President, Paula High- Vice-president, Cathy Meikle- Secretary, and Phillip Bodkin- Treasurer. Next in the line of business, we performed 3 one-act plays, and a melodrama in January. We sold candy for one of our money-making projects. Therefore, the year of 1977-'78 was a good one for the D. N. Drama Club.

Speech Team

There is a certain club at Del Norte that seems to be constantly yacking; and out loud, at that! You guessed it ... this club is none other than the Del Norte Jesters, but the speech team doesn't just rattle at the mouth in idle chatter. Their words, and sentences, complete with gestures and modulated voices are deliberate, planned and quite successful.

Last year's team won many trophies and this year's team hopes to win even more. Over the summer Laura Saye competed in the National Contest in Seattle, Washington. The Jesters hope to see more members qualify for Nationals this year.

Demoiselles

Demoiselles is a girls service group which does projects for the community, as well as many for the school. It is comprised of all interested girls at Del Norte who try to serve people wherever needed.

During the year, the Demoiselles have given Del Norte much. These girls set up the Homecoming reception. Spirit ribbons and rosettes were sold. Thanksgiving and Christmas were made brighter by the Demoiselles by giving a little joy to many young children and senior citizens.

Demoiselles helped out the needy with funds to improve their facilities.

La Dels

The Del Norte pep club has more than doubled in size this year with 58 members. These spirited girls helped the cheerleaders at all school athletic events, both varsity. They also promoted cheer at Presbyterian Hospital on Halloween by distributing candy to bedridden children. The La Dels, with the cooperation of several football players, entertained the Chili Knight crowd with a pie-throwing booth. Sponsor this year was Ms. Eppler.

There's a group of high steppin' girls prancing around Del Norte. They're up at 6:00 and on the football field by 7:00. Would you believe in those blue and white outfits, they are, our one and only, Castelles!

They're skipping up and down Central, in the State Fair and Christmas Parade, and for walking so funny, they took second place in the marching unit division. They perform at all pep assemblies, football games. They attend all home wrestling meets.

Their two big expeditions of the year are the MMDT competition in February and going to California for National Competition. They all had a lot of fun and performed superbly. The Castelles are a great asset to ole Del Norte High.

In addition to competing in skill events, the girls were active in social and service projects. Fund raising was an important activity, as the students were required to earn their own expenses for out-of-town trips.

The group is sponsored by: Mrs. Evalynne Babb, Senior OEA, Ms. Sheron Vandetti, Junior OEA.

DECA

Deca is sponsored by the Distributive Education Clubs of America. Members of DECA are taught marketing, management, and distribution of goods and services.

Deca participated in raising money for Muscular Distrophy again this year. They put on their very own fashion show. They made their own back drop and used girls in the club for their models. It was a big hit.

Deca is a very active club, and takes a part in everything. Deca is a great club.

With the new director, Mr. Stephen Means, the Del Norte Marching Knights took first place in the Christmas Parade and marched most of the half-time shows. Directing the band during the marching season were Drum-Majors Senior David Cumley and Junior Robin Ross. They practiced ten hours a week to prepare for each show. While the band is not marching they prepare for concerts and festivals, including a festival in Phoenix, Arizona. Due to the hard work of the new director and the individual band members, this year has been a success and next year promises to be even better.

We had a good over-all year with a number of our players being named to the various all-star teams. In addition, we had several boys receive college scholarships. Support Wrestlers

Matmaids are a group of four enthusiastic girls that are chosen to support the wrestlers during their season. Some of their activities include providing oranges for the wrestlers after their matches, keeping score and doing odd jobs for the coaches, Mr. Jaynes and Mr. Guana. The Matmaids have also been hard at work raising money for the team to use on out-of-town trips, and other expenses. They began their projects during the summer by holding car washes and a flea market in the parking lot. Sometimes you would see them selling candy during the school hours. These girls have done a f-a-n-t-a-s-t-i-c job. Congratulations!

Practices started in January with the girls working hard at weights and conditioning. When January 30 came around for regular season-so did the bad weather, but the girls were determined to work anyway. We think there is a possibility of repeating 1976 and bringing the state championship back home to rest here with the KNIGHTS!

In Memory of

richard ward
and
jason roybal

The sleep is still in my eyes
The dream is still in my head
I heave a sigh, and sadly smile
And lie awhile in bed.

I wish that it might come to pass
Not fade like all my dreams
Just think of what my life might be
In a world like I have seen.

I don't think I can carry on
This cold and empty life
My spirits are low, in depths of despair
My life blood
Spills over.

I can no longer live under the controls
Of the Federation, but there
Is no other place to go.
My last hope is that with my death,
I may pass into the world of my
Dream, and know peace at last.

Barber
Well barber, you've
been my best friend
for such a long time
now. Almost everywhere
I go I can say, Me &
Barbara have been here
together and I think
that is so neat.
Its also neat that
we can tell each other
off one minute and
then the next minute
be laughing, with out
stringing the other one
has kicked your but.
I love you almost
my sister and I always
will. I want you to
know If you ever need
anything I'll be there.
That goes from advice,
to a favor, to money, O.K.
You have been there
for me, so where ever.
I wish you all the
Luck in every thing you
do.
Remember you going
to hollywood with me
and don't try and get
out of it at the last

minute, Okay.
Good luck and I hope you can have any boy you want. (I know you can because you got the personality and looks).
Don't ever think I have a better friend than you. You never have to be jealous of any of my friends. Even though I get close to some of my friends at all I will never have a better friend than you. Remember that always.
God Bless you always and may he always be with you.
Good Luck in any thing you do.

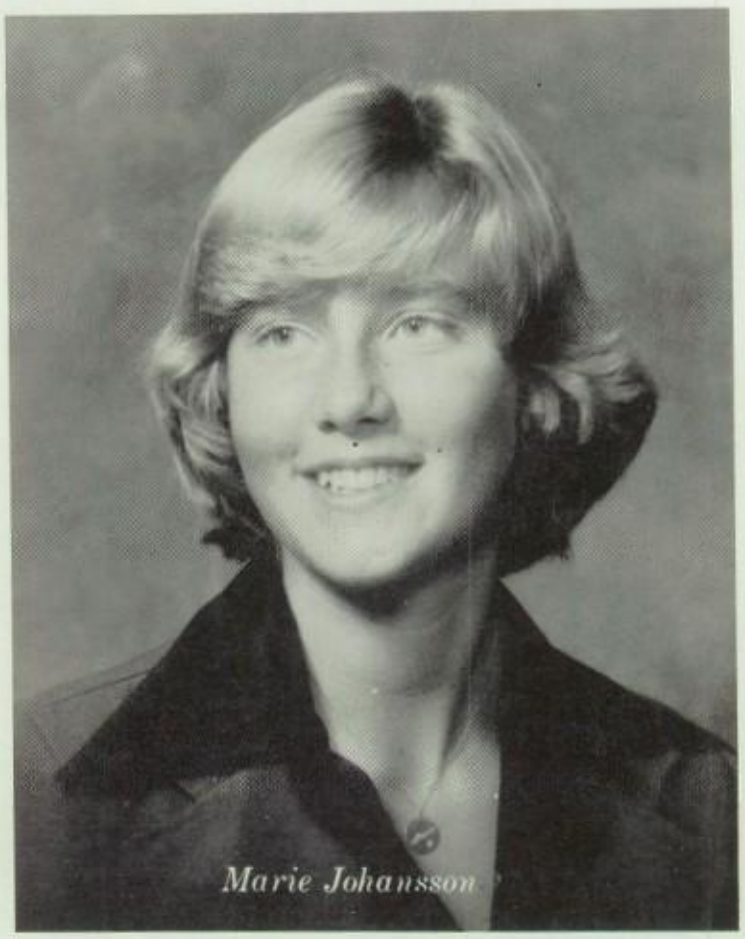
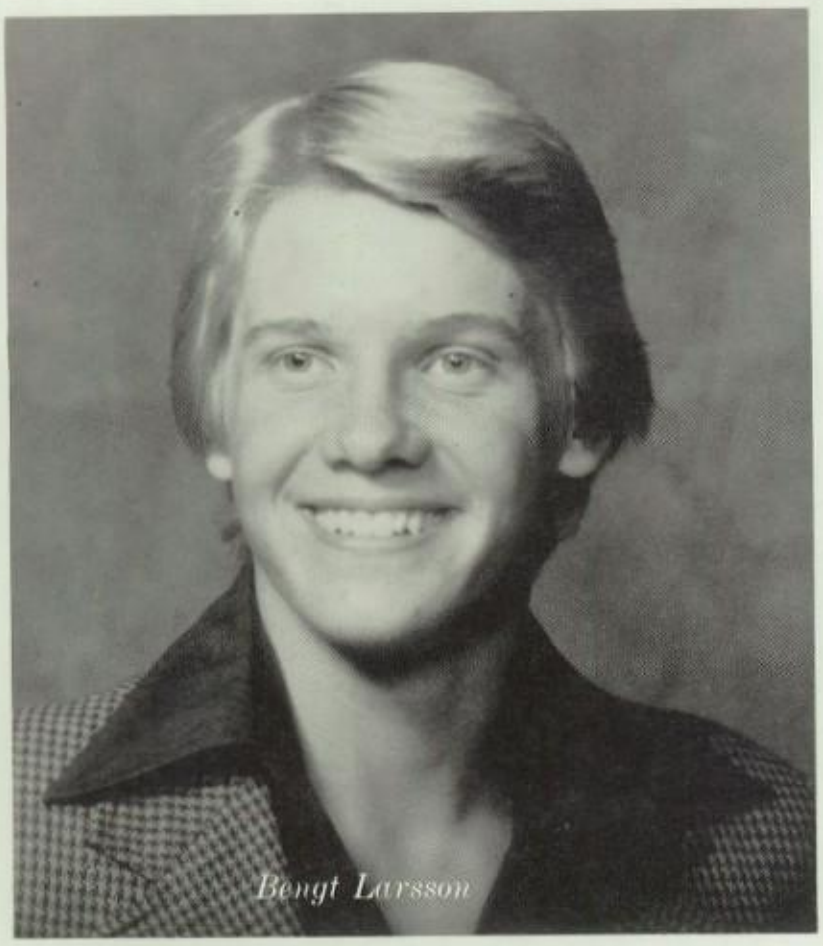
Jesper Millings

As a foreign exchange-student from Denmark I have enjoyed the very good experience of going to and being a part of Del Norte High School. At Del Norte I have found a lot of friends, and I'm sure they will be my friends for many years to come. I hope Bengt, Marie, and I have given you a good impression of exchange-students and to some of you maybe even such a good impression that you want to have a foreign exchange-student living with you for a year. I have learned a lot in this one year, more than you usually learn in a year, and I have learned both in class and out of class, and I'm very thankful to Del Norte for a year of learning, and a year with a lot of fun.

New Students Imported To Del Norte



Marie Johansson



Bengt Larsson

Many people call me "swede" but my full name is Bengt Goran Larsson. I'm a true native of Sweden but I am spending my eighteenth year in New Mexico.

Mr. and Mrs. William and Sue Gardner are my host parents and my sister is Karen. I think the Gardners are very nice and I have really enjoyed living with them. My interests are mostly related with sports, in particular I like basketball, soccer and in a certain extent skiing. The classes I have at Del Norte this year P.E., College Grammar, Math Analysis, U.S. History and Speech I. One of my greatest experiences at Del Norte this year is playing on the Varsity Basketball team. It's going to be sad to go home again in July but I'll come back to visit some day.

Leaders of the Pack

Just as Del Norte gets better and better, so too, the PAVILION gets better and better.

Sincere thanks to Jay Thibert, Sponsor, Co-Editors Charla Key and Debbie Weeks, and all members of the staff for a job well done!

You have provided students, faculty, and parents with a publication to be enjoyed and shared for many years.

Congratulations to the Student Body this year. You have been exceptional in your willingness to accept responsibility, and your interest in being active participants in all phases of school life has been outstanding.

To the graduating class; I wish you the best of luck and hope the goals you have set at Del Norte will be a yardstick for measuring your continued success in the future.

I would like to extend my congratulations to the class of "78". I am continually amazed, yet extremely gratified to see the many outstanding accomplishments of the student body. During this year we have experienced many problems relating to the preparations for the 4-year conversion and the students have shown excellent ability to make adjustments and continue to do their usual fine job. I appreciate the students and staff at Del Norte and the many successes they enjoy throughout the year.

The vitality that is Del Norte High School is more than the sum of its educational parts. We know that those parts include curriculum and schedules, facilities and books, students and faculty. But added together, an enthusiastic essence emerges that all of us here recognize.

It is what makes Del Norte a very special place for learning and becoming.

And because this is true, it is my very real privilege and pleasure to be part of one of the best high schools in the Southwest.

Peggy Miller, Wonder Woman

At the first pep assembly of the year, the cheerleaders declared that the 1977-78 school year would prove to be the "Year of the Knights." Academically, our students scored higher than average on both state and national tests. Also, as usual, Del Norte seniors took more than their share of scholarships because of their outstanding high school achievements. Athletically, our many and varied boys' and girls' teams turned in excellent sports records and brought home many new trophies for the school. Finally, in extra-curricular activities, the number of students participating and the number of available activities both increased, and students can be proud of the many projects they did for the school and community. Because of the overall good attitude of the students with their increased school loyalty and pride, this was an enjoyable year for me and causes me to agree that it was the "Year of the Knights."

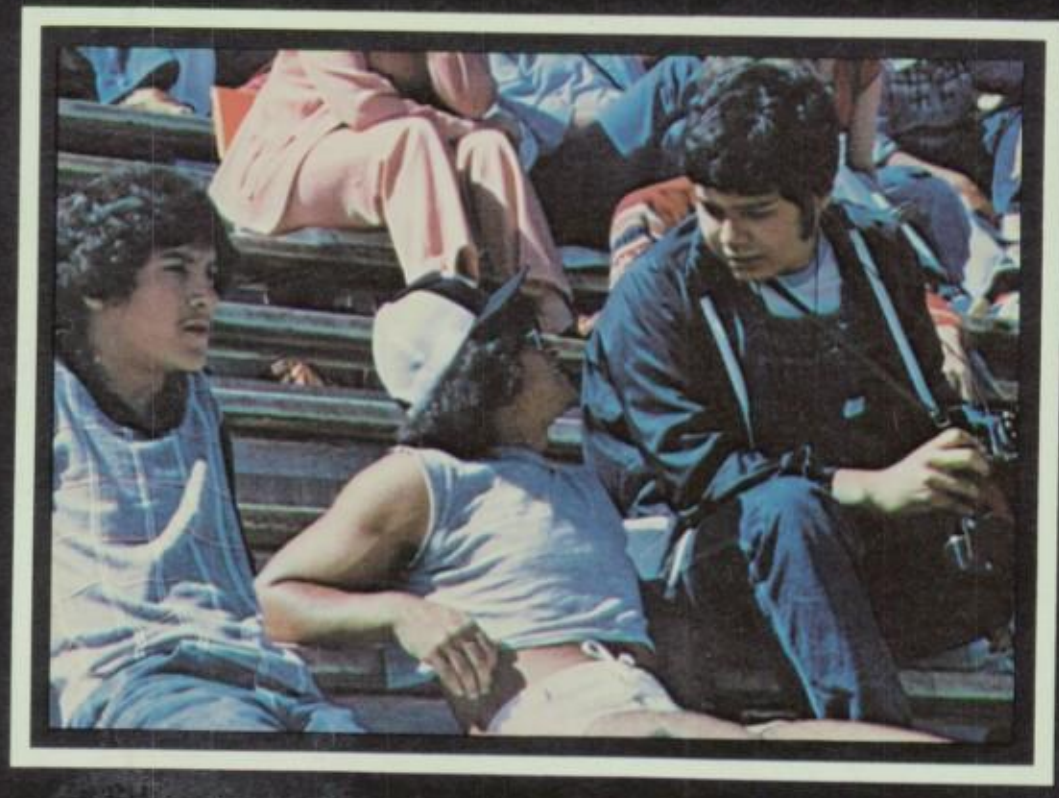
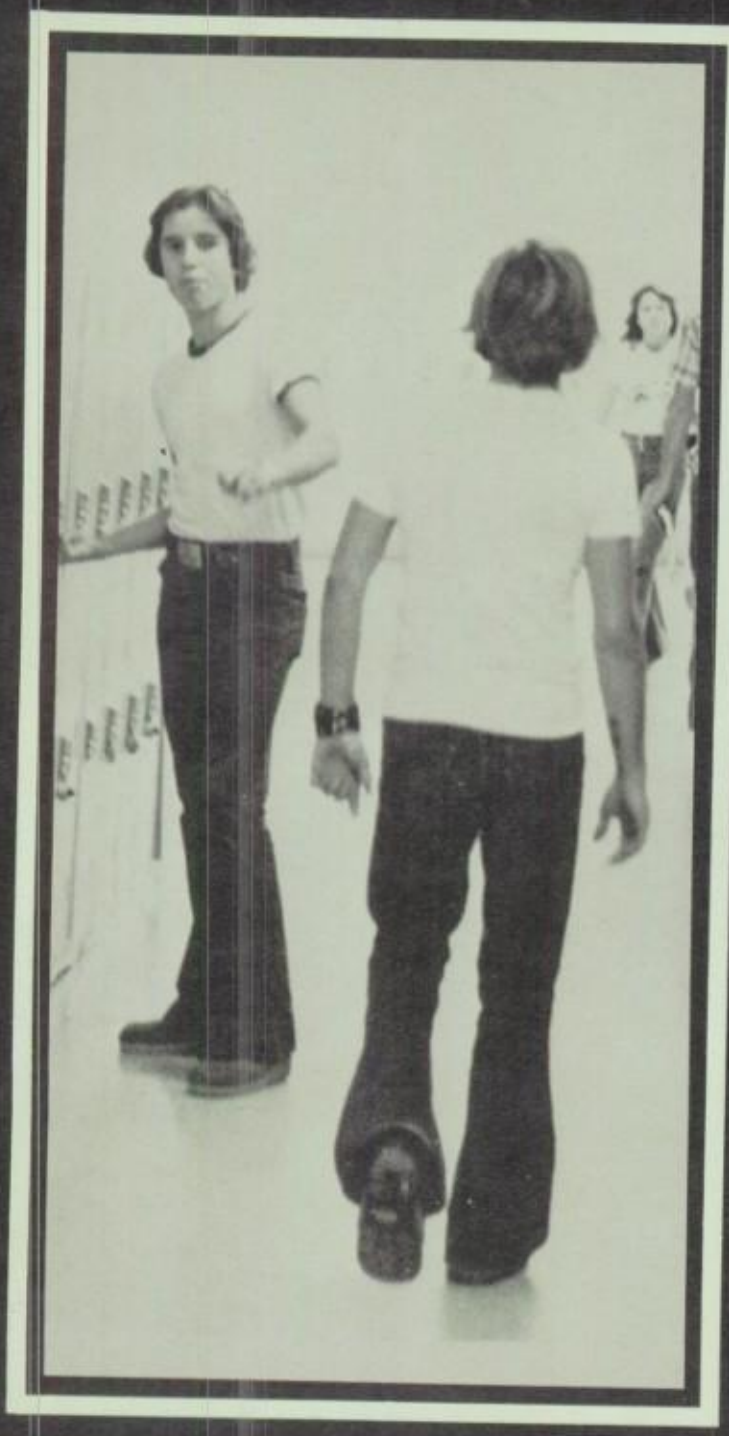
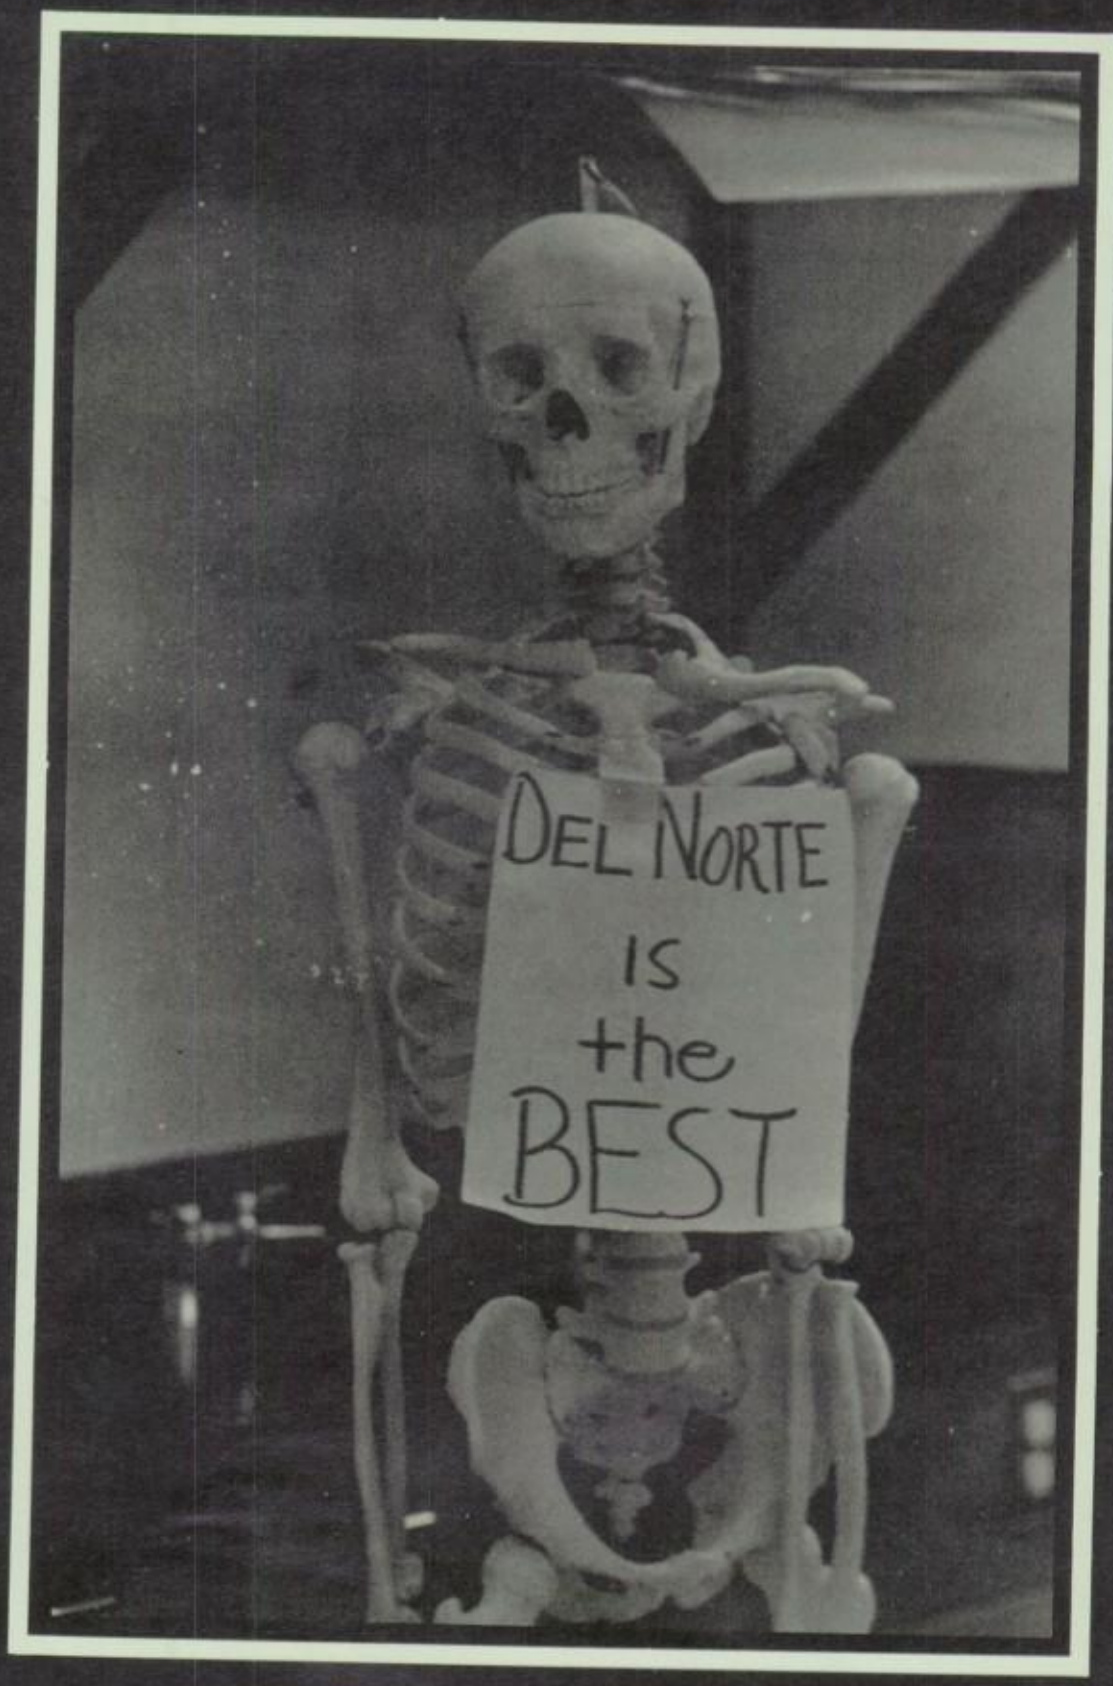
KNIGHTS
OOH!

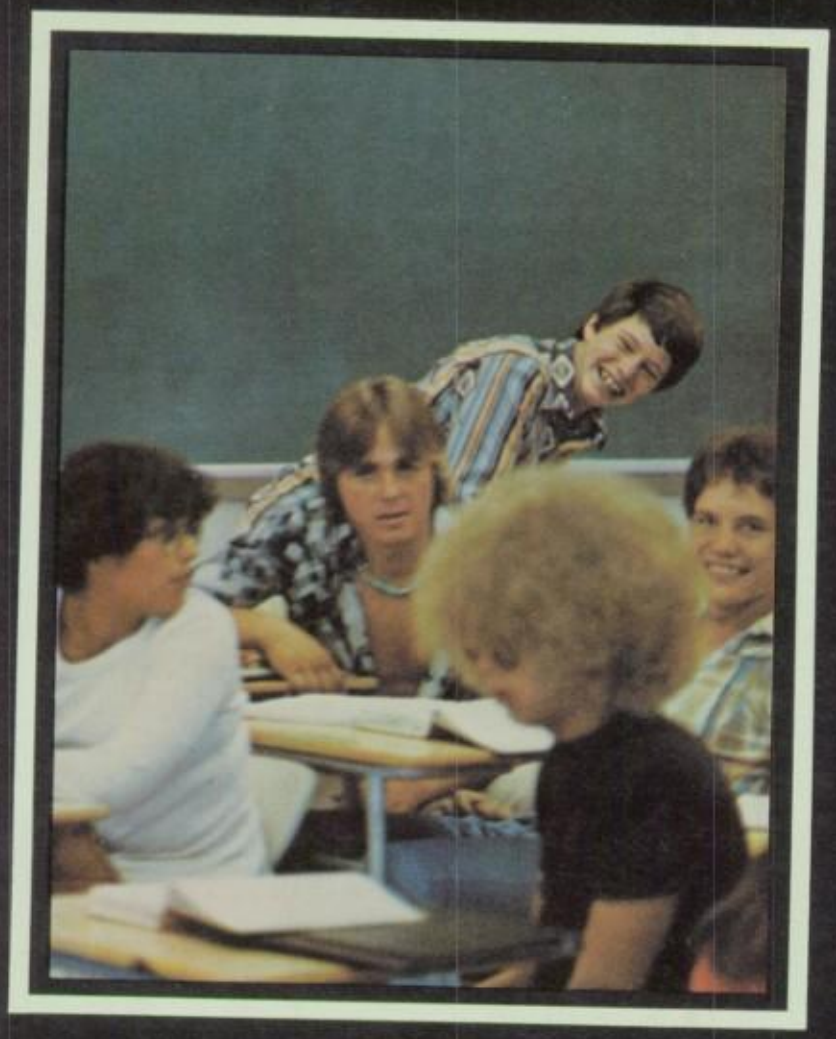


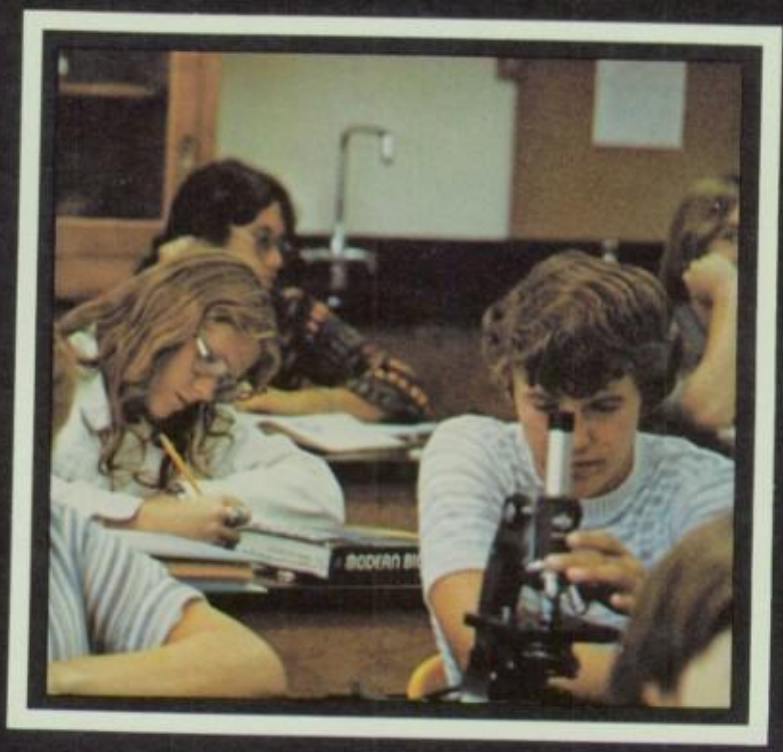
Skeptical of the future, we grasp for those last few moments of childhood and struggle to make every second count.

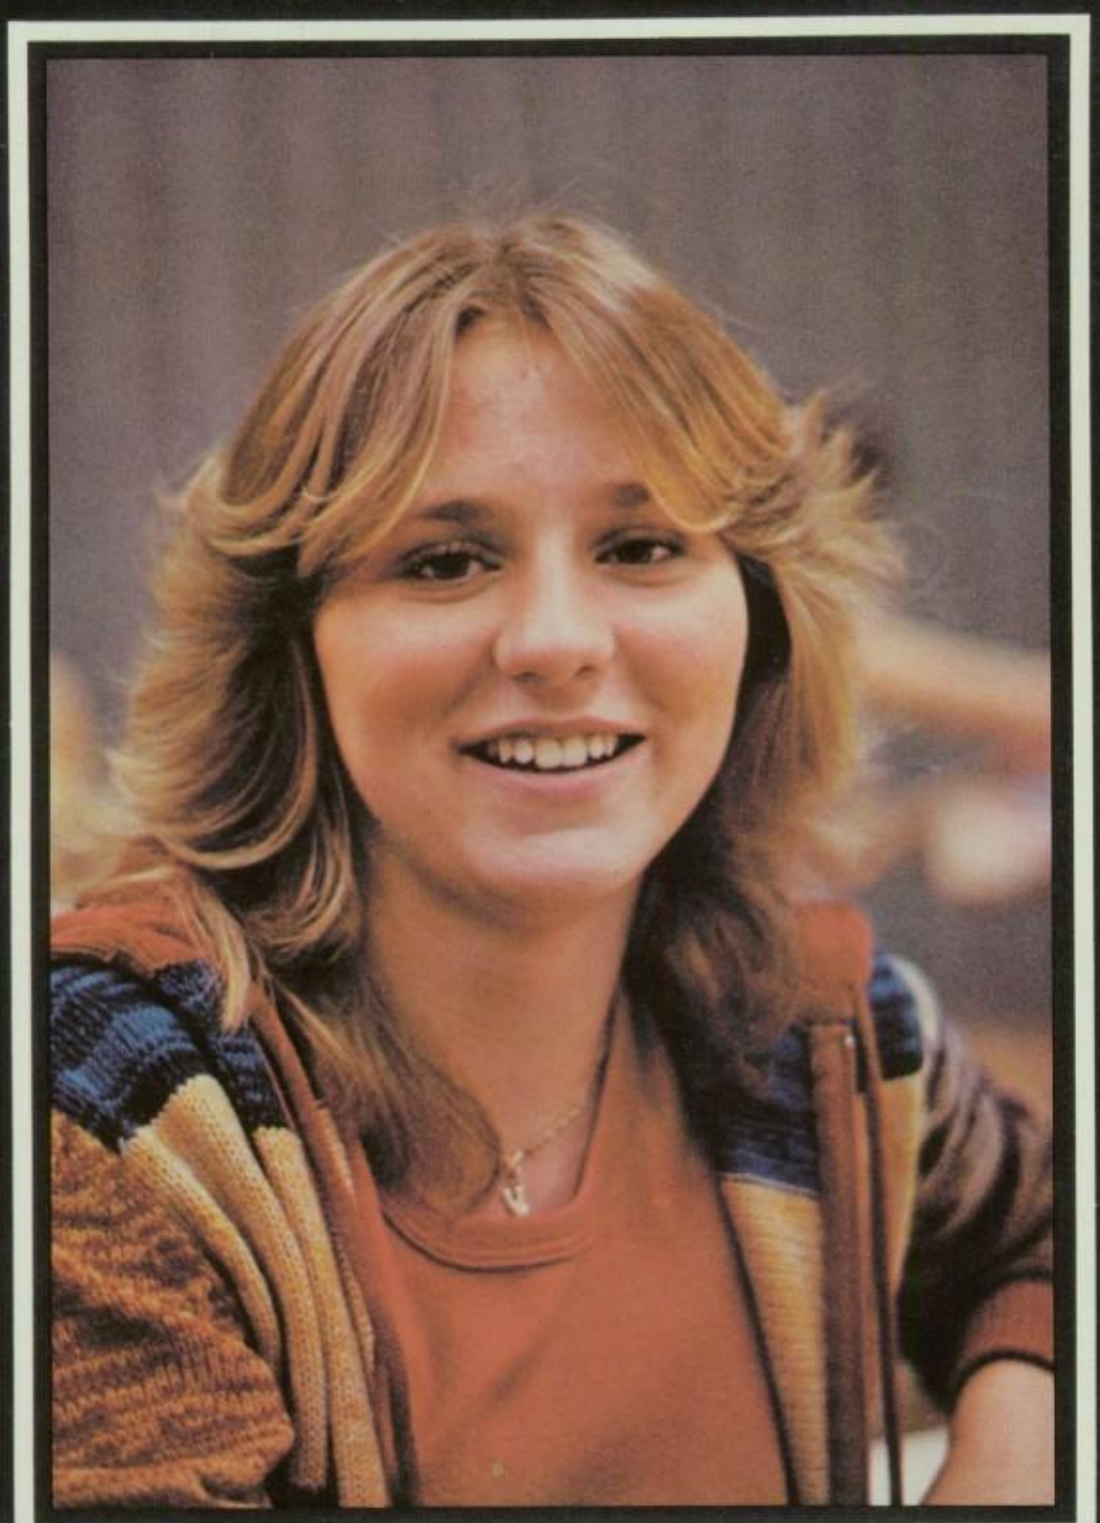


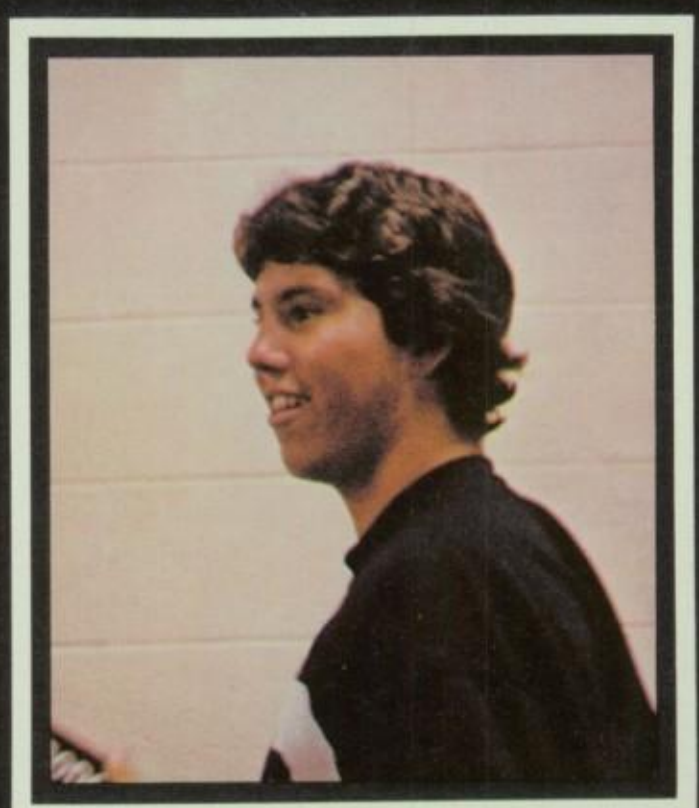


DEL NORTE
is
the
BEST

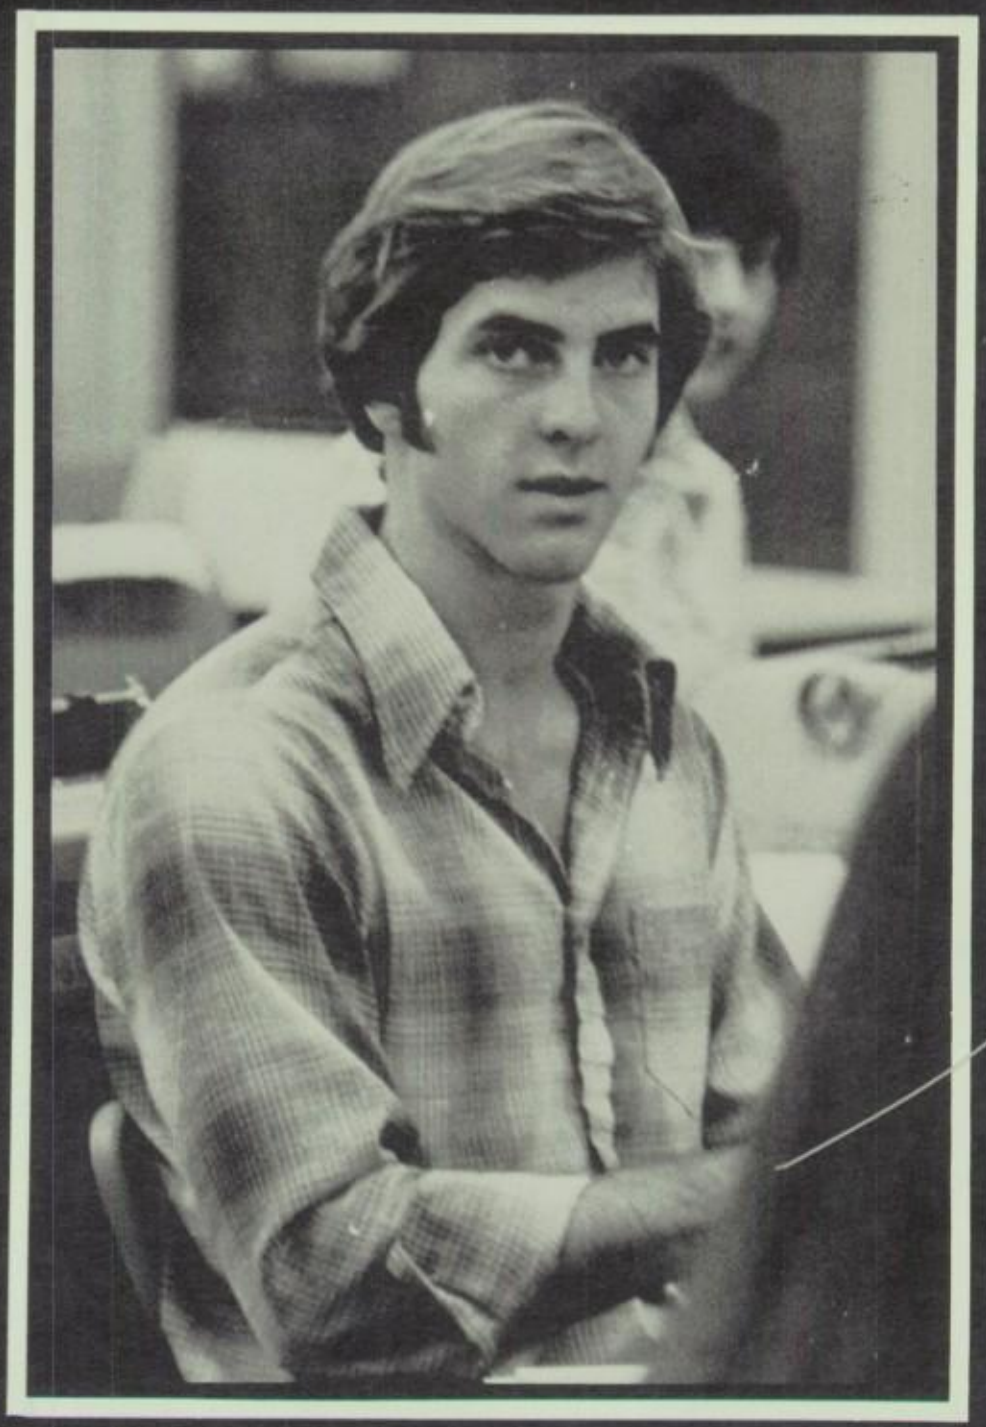


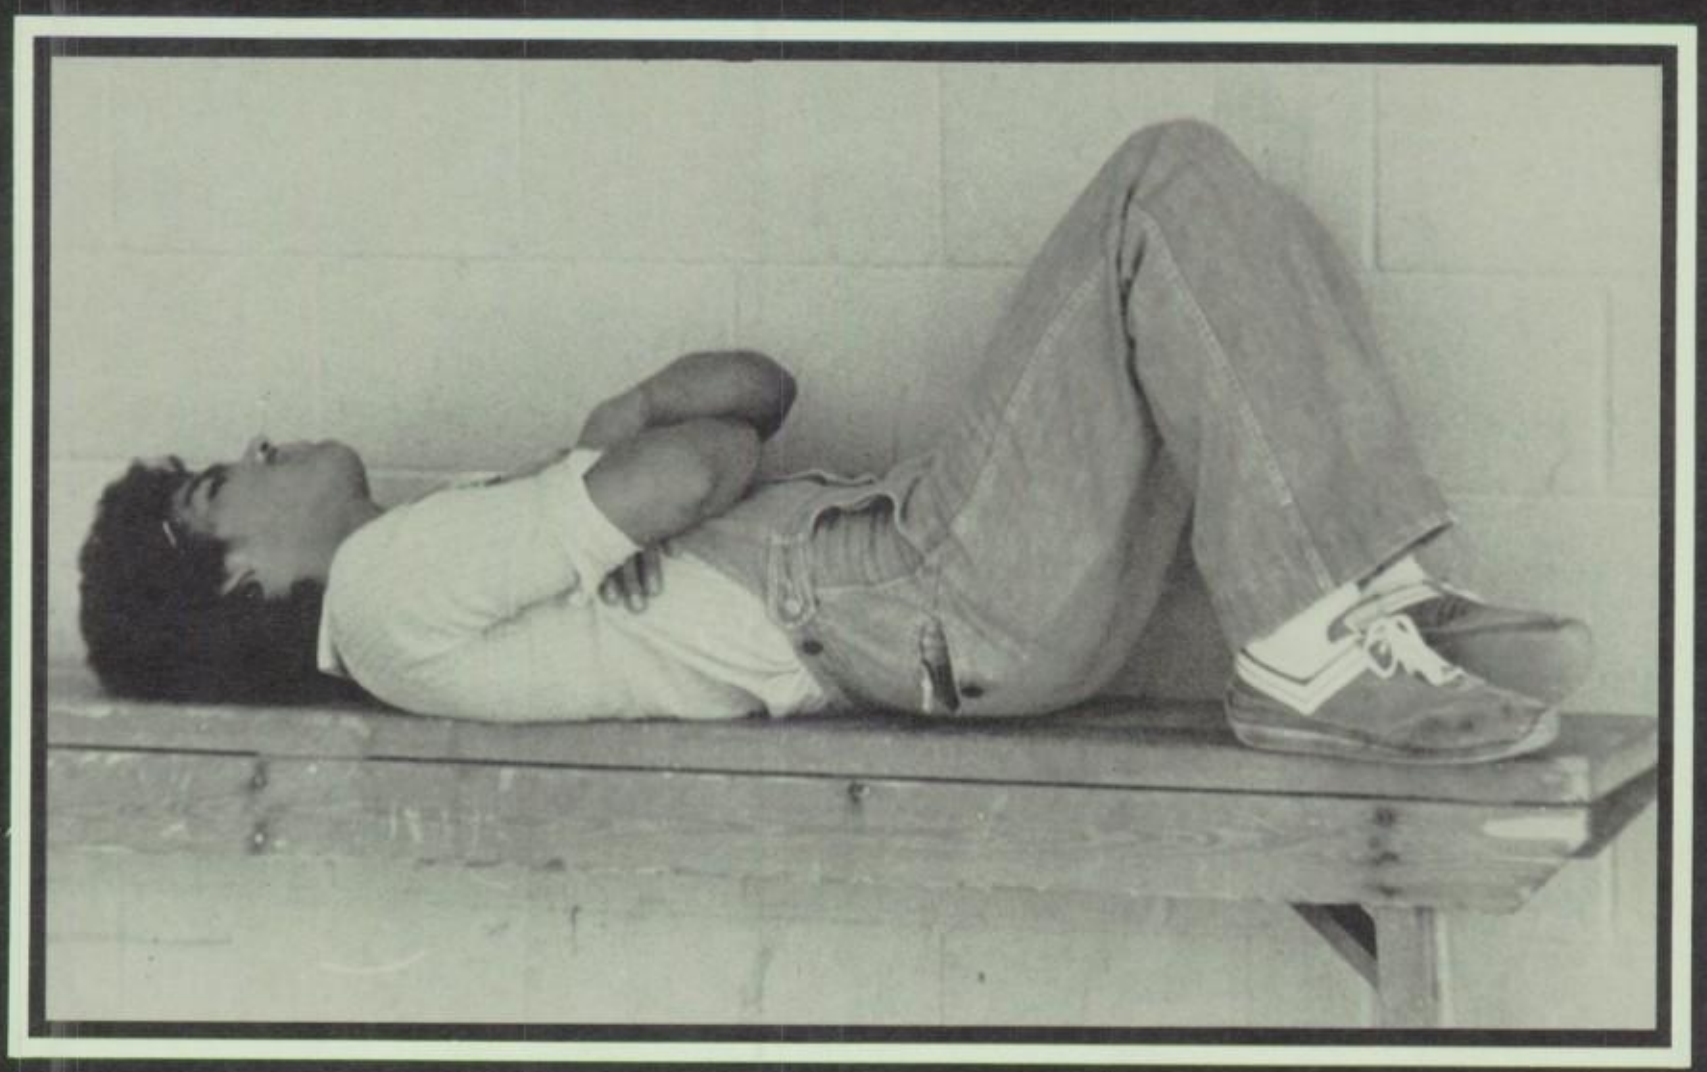


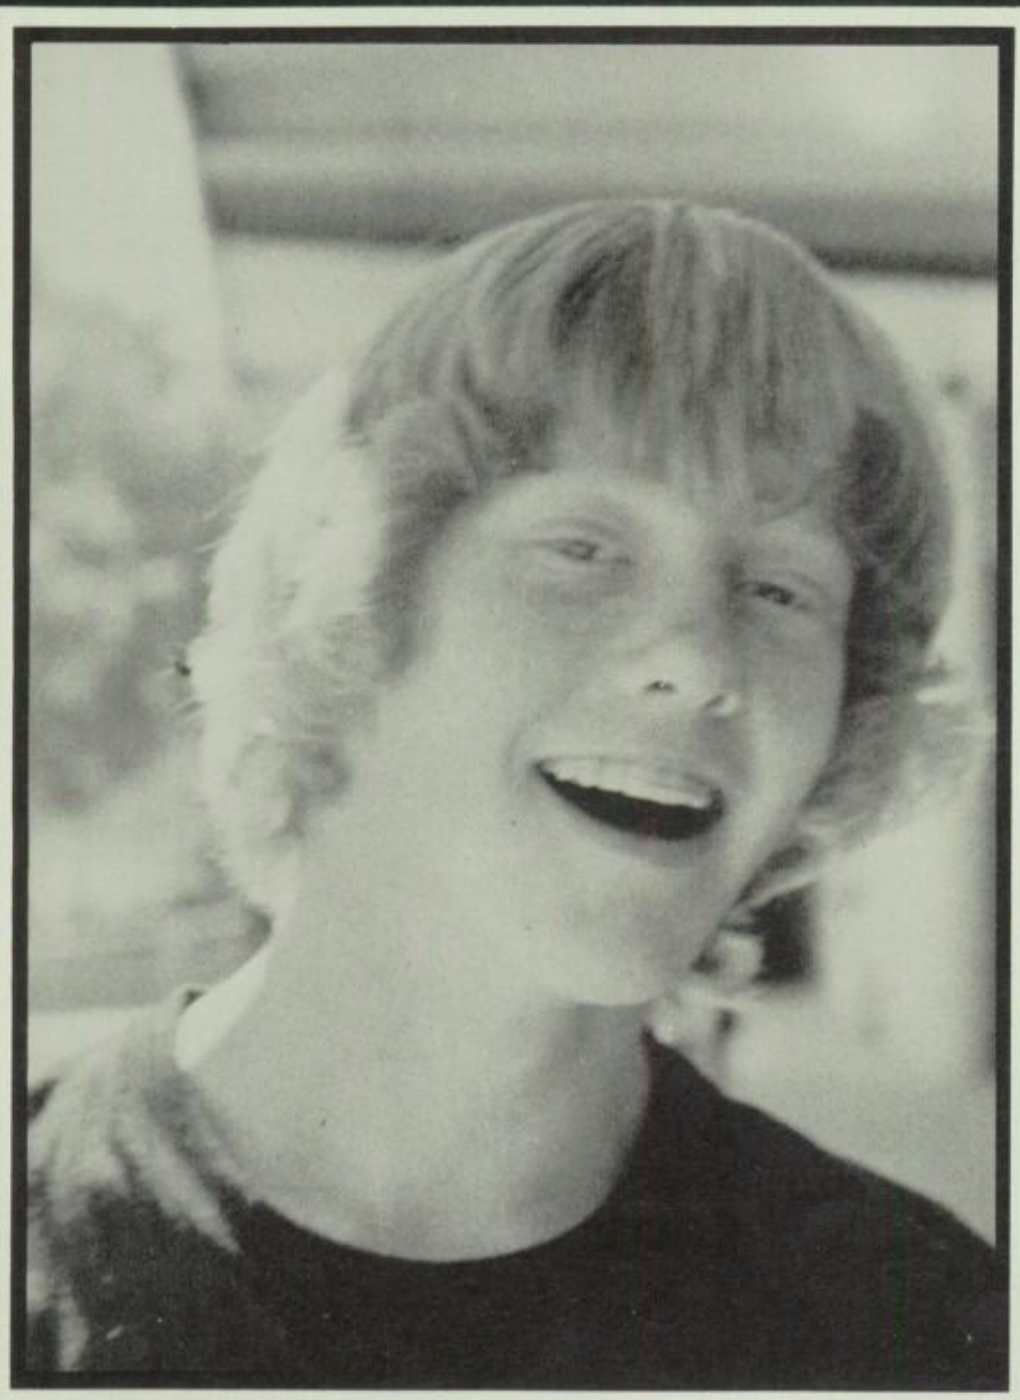




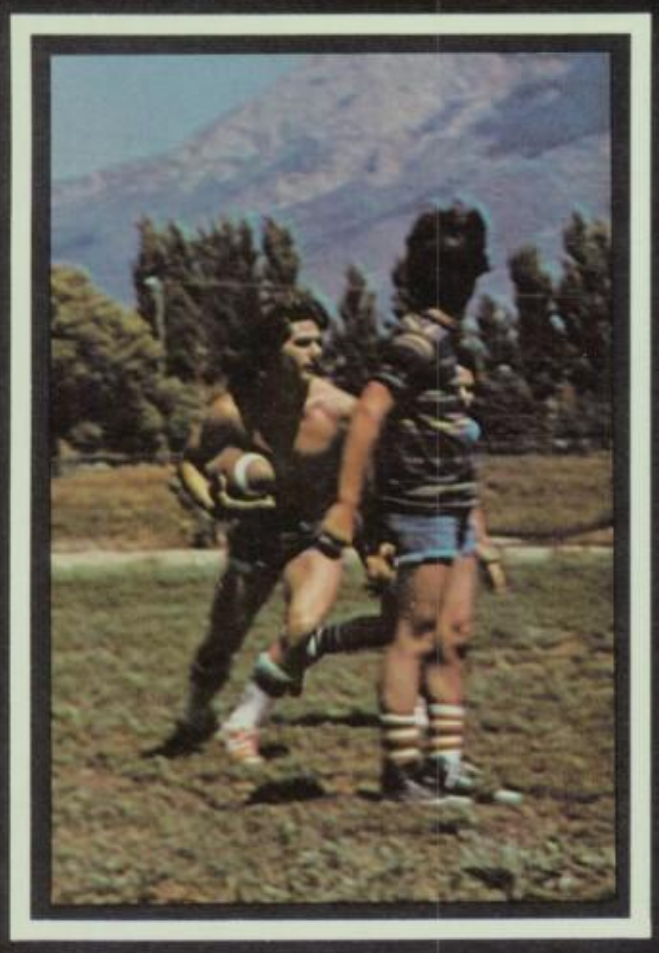
While we may never return, we will take with us not only a diploma and the knowledge we have acquired, but those many special moments.

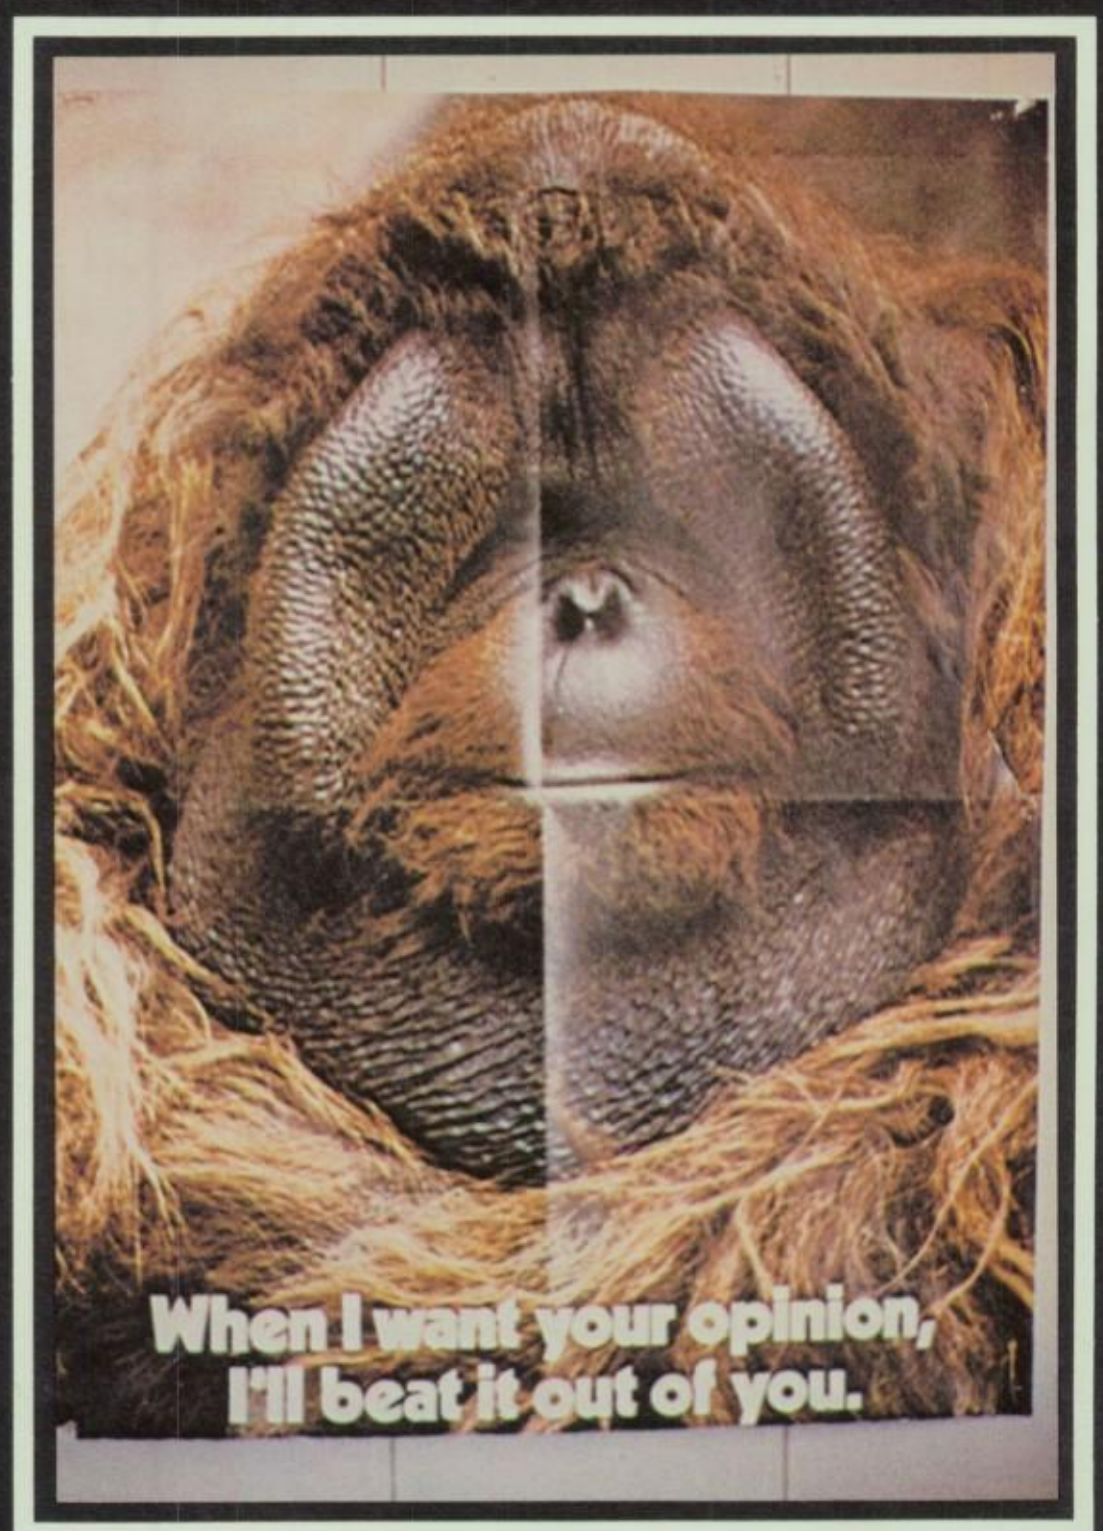




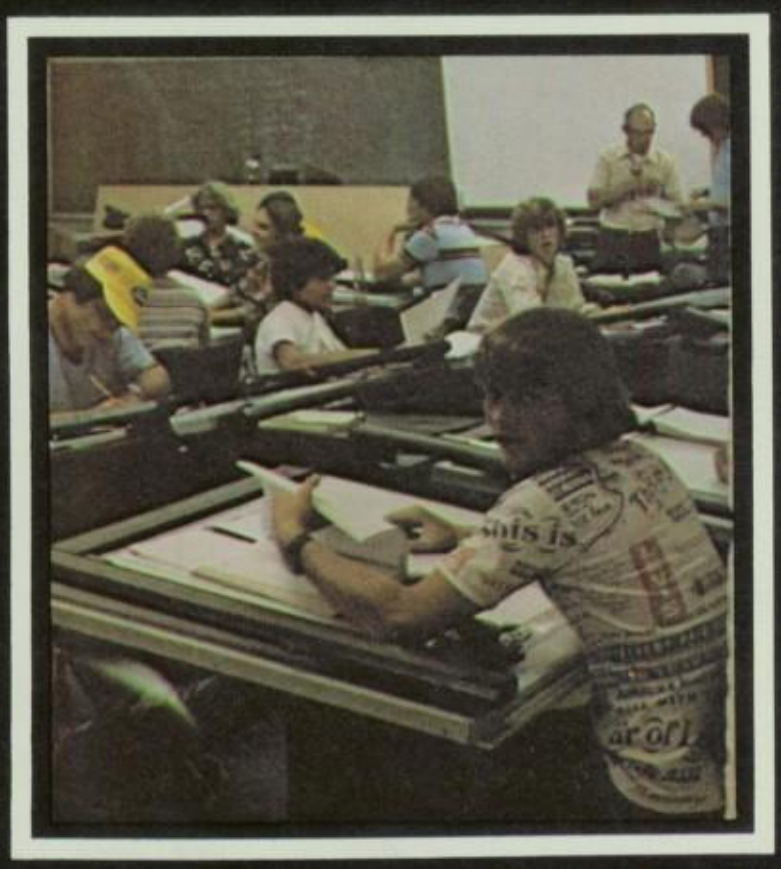


THANK GOD IT'S FRIDAY!
Del Norte
Knights





When I want your opinion,
I'll beat it out of you.



As we leave to move farther away from everything we have done; we know we will not be forgotten.
